**Spur Cigarettes**

*20 for 20c*

Doesn't seem possible hardly to buy a top-notch cigarette these days at 20c for 20. But you can—if they're Spurs.

Spur Cigarettes are bred and "trained" from soil to package. Americans and Imported tobaccos, blended by a new method that brings out in the full that good old tobacco taste.

Satiny, imported paper—crimped not pasted, making an easier-drawing, slower-burning cigarette.

Smart "brown-and-silver" package, threefold, to keep Spur fresh and always rich in that good old tobacco taste.
