Berkshire Life Insurance Company
OF PITTSFIELD, MASS.

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company. There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as necessary. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

Get right up there where Spur Cigarettes are galloping in the lead.

Judge Spurs by that good old tobacco taste—American and Imported tobacco, blended in a new way.

Judge 'em by their good-breeding, emphasized by their smart package of brown and silver.

They're crimped, not pasted. So they burn slower and draw easier. Rolled in satiny, imported paper.

Something about that package and that cigarette just naturally fills the bill.

You know Spurs for a winner the minute the dealer trots 'em out.
