Berkshire Life Insurance Company

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

FRATERNITIES ASKED TO DONATE XMAS FOOD

Many Entertainments Will Be Held at Settlement House During Christmas Holidays

Having an appeal to the generosity of the fraternities at the University, the Social Service Committee of the Christian association has sent out a request for each chapter to donate a Christmas basket for the needy boys desiring families in the neighborhood of the Settlement House, 3610 Lancaster Avenue. These baskets will be distributed to the house authorities and will go forward bringing cheer into the homes of those who otherwise might be unable to purchase such Christmas cheer.

In the majority of cases the baskets will provide a Turkey feast for family groups, which are fastidious and desires a livelier set by the combined efforts of all the members of the group. It is planned to have such baskets contain chicken, cranberries, apples, oranges, nuts, raisins and other substantial foods in plentiful proportions.

In addition, Christmas stockings, decorated for this holiday with delightful "novelties," will be given to over 200 children between the ages of 5 and 10. These gifts are to be provided to members of the Women's Committee and their friends. Mrs. Samuel G. Wilson is chairman of this committee, which is assisted by Miss Irene House, and several foremen for the big and little boys, aged 5 and 49. Each of the week, beginning December 19, a committee of matrons and entertainers will be held, considering each detail. These will be attended by Mrs. Wilson, Miss House, and several foremen for the big and little boys, aged 5 and 49. These gifts are to be provided to members of the Women's Committee and their friends. Mrs. Samuel G. Wilson is chairman of this committee, assisted by Miss Irene House, and several foremen for the big and little boys, aged 5 and 49. The climax of the week will come with a huge Christmas concert, on January 3, Morrie, minstrels, and productions by the children concerned are to form the main element of an evening of unalloyed fun and entertainment.

An earnest appeal for volunteers to work over the Christmas week can help materially those who are going home over the holidays and have little or no money. The results of the appeal will make the day much brighter for the poor. It is hoped that the extra-mural functions will be more ready to be returned to the boys, and that if he is appointed they profit no other source for the Americans.

Seminars Prospect. Bright.
Prospects for a successful Intercollegiate wrestling season are assuredly bright. The first meet of the season will be held January 5 at Columbus, in New York. Captains Lennard has Sketches, American, and Brightmorn to rely upon, and with such a well-rounded team every built-up point in a successful season.

Robertson for Olympic Coach.
Many promoters of the American teams for the Olympic games of 1920 are betting on Austin Robertson, Pennsylvania's track coach, for the post of Olympic coach. Robertson has a great reputation in this country, Robertson was appointed to the late "Willy" Soule to the 1911 team, and it was largely through his efforts that our team was successful in winning the championship. Of course point out his abilities as a coach, and if he is appointed they profit another source for the Americans.
