Berkshire Life Insurance Company

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now or a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, acquiring no invested capital and offering features such as few lines of business offer.

It's dollars to doughnuts—no man ever smoked a better cigarette at any price!

CAMELs quality, and their expert blend of choice Turkish and choice Domestic tobaccos hand you a cigarette that will satisfy every smoker desire you ever expressed. You will prefer this Camel blend to other kind smoked straight!

Camels mellow-mildness will certainly appeal to you. The "booy" is all there, but that smoothness? It's a delight!

Camełs are fresh-town cigarettes.

Just compare Camels with any cigarette in the world at any price.
