PRICE THREE CENTS

GREEN LANE CAMP DRIVE NEXT MONTH

H. J. Jant, Jr., Accredited Chairman of the "Green Lane" Campaign.

THREE THOUSAND DOLLAR GOAL

Announcement was made yesterday that the sum of $3,000,000 has been allotted to the "Green Lane" campaign with the approval of the board of directors, as a show of confidence in the campaign. The sum has been raised by the sale of bonds at $100 each, in March and April, and will be invested in the college, as the money is to be used for the expansion of the college. The bonds will be sold on a weekly basis, and will be issued to the successful bidder for the highest bid. The bonds will be due in 10 years, and will carry a 6% interest rate. The money raised will be used to pay for the construction of new buildings, the purchase of new equipment, and the expansion of the college's facilities. The money will be used to increase the college's enrollment, and to improve the quality of education. The bonds will be sold on a weekly basis, and will be issued to the successful bidder for the highest bid. The bonds will be due in 10 years, and will carry a 6% interest rate. Berkshire Life Insurance Company OF ITSFIELD, MASS.

We are always ready to talk with youngmen about entering the life insurance business and encouraging themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

WITH the purpose in mind of increasing the Knox service to men, a department has been organized which will be given over exclusively to clothes ready for wear. Men are familiar with the character and standards which have prevailed in connection with Knox Hats. Exactly the same elements have been carefully maintained in the production of Knox Clothes. Sold, as they are, under the Knox trademark; the tailoring, materials, correctness of style and general desirability need no further warrant. To give Knox Clothes the presentation befitting their character, a mezzanine floor has been erected in the Four-Fifty-Two Fifth Avenue Store, where the garments are now being shown. Customary Knox ideals of service will prevail, and men will be capably supplied, in accord with their requirements, with "Knox Clothes for every occasion."
