BERKSHIRE LIFE INSURANCE COMPANY
OF T.F.SUFFIELD, MYS.

We are ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

**At the Theatres**

Adolpho—"Fly in Mr. Robin" will begin the second month of its successful run at the Adolpho Theatre to-night. It is one of the finest and most amusing features of the season, and is presented by a cast that could not be surpassed.

Cheeky Street.—Mr. Harry Carroll has observed every feature of Cheeky Street with "Oh, Look!" and many others, but he "Pep-Street" has shown nothing,除ing mean, beautiful creations, music and singing. Dance, laughter and general fun are the usual order of the day. The popular plot is every one. Lyric.—With its various performances, William Hodge offers upon the last two weeks of his engagement the Lyric. "The Guest of Honor" tells the story of a poor man who lives a little while and a beautiful lady, and it is the best evening entertainment.

Pantages Theatre.—Mr. A. L. Mabilow will be seen at the Lyric April 12, after an absence of several years. Three plays have been chosen for their reputations, "Shakespeare," "Twelfth Night," and "Taming of the Shrew."
