Several Changes in Year's Lineup and Scoring System Announced

The lineup has been altered to suit the new opponents, and the scoring system will be changed to a more advantageous system for the home team. The game will be held on May 10.

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company. There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. DEAN AMES GIVES FACULTY LECTURE

"Dellmnde and Adventzried Laids in the Jap-Hcary" will be the theme of Dean Ames this afternoon at 2.30, in Memorial Hall. In the world between two wars far more has been accomplished by the women than by the men. He will present an historical survey of the women's movements, pointing out the unusual similarities of the women's movements in the United States and in the Far East. He will also outline the paths followed by the women in the Far East, and discuss the possible causes of the failure of women's movements in the United States.

Brett, being a student of the field, feels that the women have accomplished more than the men, and he feels that the United States has a moral obligation to help the women of the Far East. He feels that the United States has a moral obligation to help the women of the Far East.
