Knox Life Insurance Company

In Mass.

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

The book and lyrics of the play are by Frederic Arnold Hammer, well known author and dramatist, while the music is by the prolific composer, Moritat Rosenberg.

Analysis—"Up in Sheila's Room" has become quite the rage with theatregoers, and hundreds of fathers are attending the young lady's birthday at the Adolph Theatre, where A. H. Wards' latest diversion is continuing unerring audiences at every performance. "Up in Sheila's Room" is being called "The Magik Motel," and of course, the song is a big hit.
