CORNELL STRONG IN ALL RELAYS

Taking relay events into account, it is quite obvious that this season is quite strong in the field of athletics. There have been many relay events held in recent weeks.

In the last relay event held, the Cornell University team came out on top. The team consisted of four members, and they set a new record for the event. The team included John Pepper, a former Provost of the University in the Class of 1897.

The next relay event will be held on Saturday afternoon. It is expected to be a close race between Cornell and the University of Pennsylvania.

Have you smoked Spurs? If you have, you're smoking 'em now. If you haven't, you've missed a mighty big smoking treat.

Ask any Spur smoker. Maybe he'll say "They're top-notch!" Maybe he'll say "Tip-top!" Maybe he'll say "They're right!" Well, anyway—

What he means is this:

Spur has what every smoker is looking for. A blend of bully American tobaccos, spiced with more than a dash of the Oriental. A blend that brings out that good old tobacco taste so's you can taste it.

That's what put Spur at the top—and there was room for it.
