We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company. There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as an necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

THE TURKISH CIGARETTE

F rom Bagdad to Frisco, men in every walk of life greatly prefer pure Turkish cigarettes. The fact that "ordinary" cigarettes cost a trifle less, sometimes appeals to one's pocket, but never to one's taste.

Murads are 100% pure Turkish—the world's most famous tobacco for cigarettes.

Don't wound your pride or scramble your taste for a trifling saving.

Murads are worth more than they cost—and you don't have to sneak the package in and out of your pocket in any company—you know what we mean.
