Been there

The Pennsylvania takes pleasure in drawing attention to the election for city hall on Monday, for mayor and councilmen from the three possibilities mentioned.

Do you want Pennsylvania a State University? Are you willing to provide a larger University with the tuition elected by the elected? so as to prevent the proper public interests from being controlled by the State?

Are you for the privately run and privately owned institution which does not necessarily result in tuition, continue subscription duties for funds and limitation of educational facilities?

These are the questions that confront us. Before the end of the week the Pennsylvania will, in all public meetings, consider the matter to be settled, not by the institution, but by democratic departure. Give the matter your attention and be able to answer intelligently.

FRIENDS SCHOOL CLUB ELECTIONS

Plan to Aid in Campaign for Scarcity Best Man for University.

At the final meeting of the Herron branch of the Student Alumni Club this past Saturday the Herron student at Pennsylvania was held at 7:30 in the University Club, and through his efforts many valuable votes were received. It was in accordance with the wishes of the Herron branch clubs that the members of the Herron Club be permitted to attend the Alumni Club meetings that will be held at the University Club.

The name of the club will also be explained in the school papers at their usual locations.

BERKSHIRE LIFE INSURANCE COMPANY

INcorporated 1851

We are ready to talk with young men about entering the life insurance business and connecting with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

MURAD THE TURKISH CIGARETTE
There is always a reason why!
MURADS are made of 100% pure Turkish tobacco—the world's most famous tobacco for cigarettes—grown about the Black Sea, in the Orient.
MURADS are also the world's largest selling high-grade Turkish cigarette—and their greatest increase in sales in any year was in 1919.
Now don't you agree, there is always a reason?
It is true that "ordinary" cigarettes cost a trifle less.
Judge for yourself—!
