Delegates Wanted
For Lake Geneva

Another splendid conference will be held at Lake Geneva from June 15 to 25. Owing to the greater distance, however, to secure for the most part men who live near Lake Geneva to attend this conference, the Conference Committee has asked for delegates from colleges in the west. The Lake Geneva conference has for some years been the largest convention of college students in the world. One of the chief reasons why Lake Geneva has the reputation of being perhaps the greatest student conference in the world is that the conference grounds are located in the lake Geneva area. Not far from the conference grounds are located in the Lake Geneva area.

WHAT OUR DELEGATION DID

"It's always a bit of a problem, but I think we succeeded in getting a good delegation this year. At least it was better than the last one."

- Robert E. Speer, conference committee member

Berkshire Life Insurance Company

OF | LIF | LI. INS.

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.
