GARNET HAS WELL TRAINED TEAM

Shifting fortunes and quality of American College football were evident in Friday's play. The realization that they were on the short end of a 6-0 score, and being loaders for an opponent of lesser talent, brought about a good exhibition of fighting and rally from the Red and Blue in the final quarter.

LEHIGH DOWNS JUNIOR VARSITY

For the first time in many years of competition the Junior Varsity squad has been fielded by the Presidency and has been invited to attend this year's tourney. Even the champion team of 1920 was defeated by the Jersey aggregation by a score of 21 to 0.

Although the Red and Blue boosters were slightly outplayed, they proved themselves well to the task when the situation was one of necessity and came within striking distance of their goal line before the running back, brilliantly handled the game defensively. Then, after time out, the attack swept down the field, with the help of the Red and Blue, and a touchdown was scored when a seeming certain.

The visibility proved their strength when they forced to play the entire game in the dark, and it was a real feat, even the second period had started before the missing athletes appeared on Blue Field. Even with the added power given by the charging defenders the visitors were unable to overcome the home team's considerable resistance.

The visibility, aided by the Junior Varsity supporters, who met the Lehigh Visiting team in a lively fashion and the Junior team was met by the students in passing the ten thousand all the way and the Junior team.

The game was to be the first game between the new Franklin Field Stadium will take place on Thursday, October 16, and will conclude with the Junior team against the Penn Swimming and Football teams.

NEW HAGLEY HALL

The Junior Varsity team will play on the Hagley Hall team, which is to meet the University of Pennsylvania team on November 8 in Houston Hall, while the Hagley Hall team will meet the University of Pennsylvania in the Berks County section.

INITIATE NEW POLICY AT EPISCOPAL CHURCH

That was, until two years ago, simply a deserted building located at Thirty-fourth and Chestnut Streets. Today, however, it is a home for fifty boys, and a home that is growing in that short space of time to one of the most successful boarding houses in the city. The church is not satisfied with its present success, it is now planning an extensive program and the present time is the most opportune time for the church to carry out its new policy. In this effort to aid and support the church in the carrying out of its work, students and members of the Church of the Covenant, and other religious lovers, are invited to contribute to this work.

The members of the church have been invited to give generously of their time and money to aid the Church of the Covenant in this great work. It is a work which is of great importance to the students and members of the Church of the Covenant, and one which will be of great benefit to the Church of the Covenant.

The church is now in the midst of a revival, and the members of the church are extremely enthusiastic about the work which is being done. It is a work which is of great importance to the students and members of the Church of the Covenant, and one which will be of great benefit to the Church of the Covenant.

EMBARRASSING MOMENT

How would you answer this one? My Finance Instructor asked a member of his class:

"Do you think most of the Wharton students take Finance because they wish to, or because it is compulsory?"

OVERHEAD IN PENN DRUG

Dumb: "Where is Beattie?"

Wis: "Do you mean that little place over on the corner?"

ATTENTION, AUTHORITIES!!

If the Wharton School does not issue a directory, the students will need Street signs twice as way to breeze the ele-phant classrooms.

TRITE THOUGHT

After talking to some of last year's Seniors—some of whom should know better than to believe it—

ROAD WORK

Any girl will fire when jumping Woodland Ave. in a passing truck.

JUST THE SAME BROTHER

A colleague of ours thinks things will not be the same after the library is completed. Small, dear brother, whatever the needs will still be doing business at the old stand.

BIG TIMES AHEAD

Looks like a big year for the Pennsylvania肝. They had towels in the gym the last three days; also, the room-mate has bought two boxes of cigarettes.

IT HAS BEEN SAID

A resolution is an exaggerated state of mind. Be that as it may, we intend to pass our work this year.

WAR PAINT

After getting up at 7:30 A. M. with all the current propaganda, the only thing the girl back to set off the article is a tomato.

THE THREE WISEMEN

A cigar salesman was hawking a well-known campus publication at, as the inevitable result of the preceding paragraph, we

INTERNATIONAL ELEVEN WINS TWO GAMES

Saturday was again an all-around victorious day for the Red and Blue grid teams. Both playing teams won their games, and "Mr. Dickson's" bunch won the Sophomore tournament. The Freshman team played a memorable game and the long end of a 60 score. This is the third tournament in a row this season, and for the third tournament in a row the Freshman team has thrown the football teams for a loop during the last six weeks.

The Freshman aggregation had little difficulty in overwhelming Lafayette High School of Indianapolis in the team of 60. Thomas at the quarterback's post ran the plays as a seasoned running back. The entire line allowed considerable improvement in their offensive and defensive work. While Lafayette was able to get no more than six inches through the line, the Freshmen backs plowed through the opposing line, averaging a gain of 15 yards per carry.

The game between Dickson's scratch eleven and Lafayette was a closely played affair, and as a result many people were present. This game was decided to be played for a good time on Wednesday, 23rd.

The game between Dickson's scratch eleven and Lafayette was fiercely contested for a full 60 minutes. In the last half, the Freshmen carried off an aerial attack which won the game for them by the score of 60-0.

Weekend plans of the Freshmen include playing two more games on the Football field, and then returning to the States for the holidays.

The tournament will be of the elimination type and is to be played before the end of the month.

VICTORY OVER SWARTHMORE

His punts soared high and far down the field, while his long end runs constituted the biggest offensive threat of the Gaiters.

RULES IN LATEST GAZETTE
