DAILY TO HOLD 10th PICKER

Pennsylvania Operators Compete at Shrewsbury

HOUSTON HALL SCENE OF AFFAIR

JUNIvor YARU, DEFEATS MERCER, 14-6

Pennsylvania's Junior Yaru eleven emerged victorious over the Susquehanna football team, clipping them by 14-6, Friday night after having encountered the stiffest opposition of the season. Here in the second quarter of play that Susquehanna, the young meanderers, was on the verge of a possible upset for the downfall of the boys from Cramer. But victory was their real estate of the game as its long run through a series of mishaps of their own, O'Byrne, who halved down one of the backs of the half-back positions, also caused the Selinsgrove collegians considerable anxiety by his stellar play.

CAGE PRACTICE BEGINS TONIGHT

Varnly and Freshman Squads Will Stage Preliminary Workouts in First Gym

CENTERS AND FORWARDS NEEDED

Pennsylvania's basketball team will begin the campaign on Saturday, November 10th. Under the eye of Coach Edmon. "Rubber" Miles, a team of 10-11 men has been selected. Both the Varnly and Freshman squads will hold their first practice this afternoon. The practice report will, in uniform, at 4:30, while the first team candidates will take the floor at 5.

The first few practices will be light, with the view of letting the players become accustomed and to work out the system of the game. The work will consist mainly of什么呢 short drills for the forward group, basket scoring will be attempted for the center and the general handling of the game. The work of the Freshman squad will be made largely defensive. January 1922, the ability candidates show the fundamentals of the defense of the game.

There is great need for new material. Never before was the number of players returned from a previous season, as small. Including the Varnly veterans, Junior varsity players, and the members of the varsity five, there are not enough men of college eligibility to make a full varsity squad. In addition, a squad of 10-11 men will be needed to make up the Junior varsity.

Captain Josiah Miller and Miller are the veteran leaders of the team, who will be available for the season's openings. Sullivan, Doane, Tilden, and Haver, members of the annual last campaign, will be present and ready to aid.

The following is the varsity squad: Ralph Franklin, K. E. Cregg, W. D. Kysar, and Jessen of the 1922 Pennsylvania.

Another Subscription Drive

Contrary to its usual procedure, The Pennsylvania has decided to launch another subscription drive. This situation of recording a disproportionately small circulation list in comparison with the student faculties of other colleges and universities must be remedied. The board feels that there are many undergraduates who are willing and desirous of subscribing but who have not found the time to drop in at the office since the conclusion of the intensive opening campaign.

To subscribe to The Pennsylvania this year is more worthwhile than ever before. Aside from features, including sports editorials, dramatic reviews and stories of prominent alumni, will help make the pages more attractive; and the news space is greater this year than last, insuring a more detailed account of a larger number of activities. Furthermore, efforts to perfect the delivery system are securing satisfactory results.

By helping us raise our subscription total to a figure proportionate in the size of the University, you will be at once adding your interest and conveniences raising your college paper's standing among student faculties. Subscribe to The Pennsylvania during the next two days through one of the solicitors stationed around the campus.

tightening up

It may be a far cry from football to the classroom but the latter does find distinct points of resemblance between the two. A football player's attitude to studies and the much discussed gridiron policy of the Pennsylvania coaches. During the first month the viewing side was too much for that.

Tighten up now for the next couple weeks before you lose your attitude and conveniences raising your college paper's standing among student faculties. Subscribe to The Pennsylvania during the next two days through one of the solicitors stationed around the campus.

Learn Pennsylvania's History

In another column of today's issue there appears an article dealing with the life of the first President of the University. William Smith. He appearance marks the beginning of the undergraduate body more intimately with the lives and workings of a series by which The Pennsylvanlan hopes to acquaint its readers with the University.
