SET DATE FOR CAMPUS CONCERT

University Glee Club and Orchestra Men Will Reopen Assembly Band in Westman Hall

DANCE FOLLOWS MUSICAL EVENT

Members of the Glee Club and Symphony Orchestra will make their first campus appearance at the 8:15 in Westman Hall, under the auspices of the Music Department. Among the numbers which will be rendered will be "Shadow March" and "The Viking Song" by the glee club, and a "Midsummer Night's Dream" and "Operatic Selection" by the orchestra. Dr. H. Alexander Rice, director of the glee club, and Mr. Richard L. Weaver, leader of the orchestra, have worked hard in preparation for their work in the training of the student chorus. In this regard the concert will be much like the last year's first assembly concert, but a larger audience will be present.

PRIME BOOTERS FOR PRINCETON

Coach Gosdin Sends Varsity Scourers Against Scrub Drummers in Practice Scrimsages

"BLAIR AND LINGELBAU TALLY"

In preparation for the crucial contest with Princeton on Saturday, the squad was given a practice scrub scrimmage on Thursday afternoon by Assistant Coach Gosdin, who drilled the booters in the absence of Coach Stewart. The practice was feinted by a fast game between the Varsity and the Junior Varsity teams, the latter being the defensive for the better part of the afternoon.

Coach Blair, who played the inside right post position, was in his usual vigorous form and held the opposing backs in the air through the entire game. He was probably the best player on the field during the afternoon.

The practice has been threatened by the weather and will be played should the weather improve in the coming week. The team has been on the field two days during this week.
