MUSICAL UNITS

IN CAMPUS EVENT

University Glee Club and Orchestra Will Make Initial Local Appearance in Weitzman Hall

ACADEMY PROGRAM TO BE GIVEN

On Monday evening, December 18, at 8:15, in Weitzman Hall, the Glee Club and Orchestra of the University will render their first campus concert of the year under the auspices of the Musical Club. Intimately following the musical program, dancing will prolong the activities of the evening until 11:00.

Practically the same program as was rendered at the Academy of Music a few weeks ago will be given Monday evening at the campus event. This same concert was also broadcasted by the Glee Club from Gimbel Brothers' Tuesday night, and received the hearty congratulations of many of the alumni throughout the country who heard it. In addition to the usual program, William Clarke, Jr., '23 Wh., led a few Pennsylvania cheers and songs.

"On the Road to Mandalay," "Shadow March," and the "Viking Song" will be sung by the Glee Club, under the direction of Dr. H. Alexander Matthews. Mr. Richard L. Weaver, who is the leader of the orchestra, will conduct this unit of the Musical Club in playing "Midsummer Night's Dream" and numerous operatic selections.

Tickets for this affair may be secured at Gymny's, Giraffe's, Honolulu Hall, 321 College Hall, and also at the door on the night of the concert. The price of a minde is one dollar for stag and ten dollars for a couple, and will include both concert and dance. An associate membership in the Musical Club will admit couple to both events. Weaver's Oratorio, which played at the Academy, will furnish the inside for dancing.

Explorer Ends Fall Lectures At Museum

Completing the fall lecture at the University Museum, Donald MacMillan, the world-famous explorer and lecturer, will speak Saturday afternoon at 2:00 on the "Mackenzie Land Expedition." The talk will tell of his latest trip into the northern lands.

Mr. MacMillan has gained fame throughout the country for his various travels, most of which have carried him along the northern lands. He was followed by Peary, its discoverer of the North Pole. His latest expedition carried him through the desolation and barrenness of the Canadian Mackenzie Land, where he made important discoveries of a scientific nature. He will tell of these and his observations in his speech Saturday.

He has made two trips into the land of White with he speaks, although his time as an explorer is comparatively recent, his important research in the Arctic regions has established him on an even scale with Peary and Schaeffer. Mr. MacMillan expects to make further travels to the northern countries in the near future, and will tell of his preparations.

A NEW FEATURE

We are going to enlist a new department known as the "Historical Research" depart- ment. In this way we hope to bring new and astounding facts before the student body. All contributions to this department will materially assist us in compiling our data.

The first problem that this department wrestled with was the following facts:
The Smith Brothers decided to let their beards grow during the year 1872. W. W. Smith wore his beard longer than his was, but Wm. W. Smith being a shifty gent, made all of his husbands cheeks.

THE NEXT TIME

You are paying by one of the campus barber shops, notice the expression on the faces of cash customers when they are getting a "shave on every." DO YOU KNOW?

That 35 years ago, the 24th Student Police Station was located in what is now called the Winter Institute Annex? Those big doors on the street level were the Winter Avenue, used in going up and let the South Street level out on an expedition. That thumper won not concluded?

One of the Ambrose debaters told us an irate gent who tore the telephone from its moorings, carried it to the telephone operating office and threw it through the window. A bad idea. We think we will throw our radiator at our customer.

Throughout the first half Princeton outplayed the Red and Blue eleven. Penn's strategy of a quick, rushing offense was strongly broken up by the Tiger backfield. Their tactics called for quick breaks to the outside, and Reeds scored four times in the first half.
