CANDIDATES NEEDED FOR DRAMATIC CLUB

Candidates are needed for the group of credit plays which the University Dramatic Club is now planning. These plays are to be produced in a series, and from this group one or as be chosen to be presented at the Parsons' Theater some time in the early part of February for the benefit of the Action Fund.

Those wishing to enter competitions are requested to report Monday between 4 and 6 at Room 206 College Hall.

A little later, in the year another series of credit plays is to be staged for the purpose of choosing one to be presented before the Philadelphia Forum at the Academy of Music. The Club expects to receive announcement as to the date of this contest within the next week.

These groups open up to men and women of both the Graduate and Undergraduate schools for both these competitions, and the competition for the Philadelphia Forum will be announced at the next meeting of the Dramatic Club which is to be held at 8 o'clock in the evening.

At this time, the new Constitution will be presented.

Plays Becomes Cornell Captains

It was recently announced that George Pfann, who is in his second year, has been elected to succeed Edith McCall, '21, who is now the President of the Drama Club. Pfann has been placed in the group of American teams by principally the authority which has picked such a worthy eleve

FIND OUT WHERE THE MONEY WENT

At the end of the recent football season many people were interested in knowing where the money of the Cornell football program went. The University Settlement Association, with the aid of Mr. H. Freeman, former mentor of the West Side Settlement, has gone over the books and found that many interesting facts can be derived from the reports and accounts of the football program for the past three years. The following is a summary of the amounts received and spent during these three years:

Yearly Income:

1. Revenue from the ticket sales and fees for season tickets:
   - Football season tickets: 100,000
   - Basketball season tickets: 15,000
   - U. S. Savings Bank: 15,000

2. Contributions from alumni and friends:
   - Football: 20,000
   - Basketball: 10,000

Yearly Expenses:

1. Salaries of coaching staff and other personnel:
   - Football: 15,000
   - Basketball: 5,000

2. Operating expenses:
   - Football: 10,000
   - Basketball: 5,000

Yearly Net Income:

- Football: 50,000
- Basketball: 5,000

It is evident that the football program has been a success financially, and that the basketball program has not been as successful.

The settlement expects to present a similar report on each of the other sports, and it is hoped that this information will be of interest to the alumni and friends of the university.

APPORTION FUND OF ASSOCIATION

Money Raised in Next Week C. A. Drive will Be Divided Among Charitable Workers

COMMITTEE BANQUET TONIGHT

Following the announcement of the members of the committees for the end of the Christian Association for the fall term, during the next week, the work of the committees is practically begun. Because promptly Monday morning the drive will be on and a few days will be devoted to the work.

Convincing the apportionment of the quota to be raised little can be said except that the students of last year did this and are regarded with some confidence.

The amount raised by the winning students, which was greatly in excess of the quota of this year, will be used in the work of the association and among the charities in which it is interested.

The amount raised is to be divided among the winning students and the charities which they will support. Among the charities which are intended to be supported by the money are the Christian Association in Houston, which will receive a larger sum from this appeal than it has ever received before.

The release of this money for the purposes of the Christian Association in Houston will be made at a banquet tonight in the home of Mr. H. Freeman, who is the former mentor of the West Side Settlement. The banquet will be attended by representatives of 27 boys' agencies which are being benefited by the Christian Association in Houston. The banquet will be a social event, and the guests will be entertained by a program of music and dancing.

CREW PROSPECTS APPEAR BRIGHT

Many Exciting Facilities and Worth of Material Awaits for Approaching Season

The publication of the committees indicated that some interesting prospects for the crew are gradually assuming form. With the exception of the rowers the majority of the crew will be composed of men who have shown promise in other athletic fields.

The crew prospects are particularly bright for the varsity and junior varsity crews, which will be composed of men who have shown promise in other athletic fields.

The crew facilities consist of the singing of "Fight On" and "Elsie," the old lanterns which used to direct the kids from their homes, and "Elsie," the old lanterns which used to direct the kids from their homes. The rowers of the camp, is intended to keep the boys in touch with the University, and will parcel the rowers of the camp, is intended to keep the boys in touch with the University, and will parcel.
Annual Council of Debate Praternity Meets Tonight

The local chapter of the Delta Sigma Rho Debating Fraternity, which is paying host to the National Council of the organization, will give a dinner tonight in its honor. The affair is to be held at the Delta Sigma Phi House.

This is one of a series of conferences which are being held at all of the larger colleges of the eastern United States. All active and graduate members of the debating society are invited to take part. Any member wishing to do so is requested to communicate immediately with Cliff Dow at 302 South 35th Street. These conferences are being held with the purpose of securing closer cooperation between the national organization and its various units.

Within the next few days a new call will go out for nominations for the debating team. It is necessary that a large number of candidates be on record in order that a team can be produced that will be worthy of the past achievements of Pennsylvania.

Cest La Guerre to Have Joint Dinner and Meeting

To show appreciation of the work of the outgoing officers, the Cest La Guerre Club will have a dinner meeting. Friday evening, January 12, 1937 at 6:30 in the Musical Club Room, Houston Hall. It will also welcome its new officers for the coming year. There will be a new dinner meeting of the outgoing officers, the Cest La Guerre Club will have a dinner meeting. REGARDING THE RED AND BLUE BEAUTY CONTEST

If the Editors desire that the contest be treated fairly and squarely, we suggest that the C. C. T. girls be given a handcap of—say—eleven points.

... and make the Labradors and Professor's chihuahua short from without—every one of them.

We knew one girl who was safely accounted of repeating, if she gets two votes.

Guess it won't be long before we hear something like this group campus—"Parable is the right name; it's importance lies in speaking to you without having been introduced, but I desire that you note the name and address, because it is an applicant number for the red and Blue Beauty Contest. Would you care to go to the Stanley with me tonight and may I call Sunday?"

Just to make the Contest a little more interest-

ing the editor of this here Col/urn agrees herewith to take the winner of the feminine part of the Compe-

tion to the theatre—dinner at Childe's included?

... if the Red and Blue wave its really athletic public curiously, why doesn't it stage a Tabacka-Cleaning Contest between the Greek Hall Jesters and the Waiters in the White House?

WHAT'S WRONG WITH THIS PICTURE?

Through two valiums by this enigmatic "This Ty Do's Haves we searched, and still we are in doubt as to certain articles, because the first printing would not fit in his account of the regular girl being buaily engaged forcing good matters of legal discussion to our editor, as you have noticed, cost from a very small frame of mind. Still proud of that grade of curiosity, why doesn't it stage a Tobacco-Chewing Contest. Would you care to vote In the Hed and Mine Beauty Contest. Would you care if she gets two votes.

WHAT'S WRONG WITH THIS PICTURE?

If the Editors desire that every one be treated fairly and second-Cluea matter.

... and make the Labradors and Professor's chihuahua short from without—every one of them.

A NEW OPEN LETTER

Do you know of an opening for an eligible college student, or at present someone who averages a week, on account of the regular girl being buaily engaged forcing good matters of legal discussion to our editor, as you have noticed, cost from a very small frame of mind. Still proud of that grade of curiosity, why doesn't it stage a Tobacco-Chewing Contest. Would you care if she gets two votes.

THE NINETY-FOUR

Someone, probably an insurance agent, was quoted recently as saying that from the mass of one hundred college graduates one individual only rose to the Polo and better class, particularly near the top of the financial ladder. Five others became comfortably off and found themselves after twenty years in small and substantial positions. The other ninety-four presumably congregate in the great division of the American people who drive their interest in the unpolished edges were removed. Coach McNichol delivered a short talk to his proteges at the final touch in preparation for the game to be played on Saturday evening at 8:15, against the Dickinson College quintet. The evening's workout comprised pass work, floor work, formation workouts and out of bounds play.

Coach McNichol's quintet will be the hardest team to have played against the Varsity five to date. The forwards to oppose the Pennsylvania defense will be the Johnson brothers, who tip the balance at 115 each. Wallace, captain of the incoming class, and when that fickle deity deserts, have become devotes of the dollar business is the axis on which a small man is one thing, and making the grade one another is a luxury. NATIONAL COLLEGIATE A. A. DISCUSSES PROFESSIONALISM

Discussed professionalism was the chief topic of discussion at the meeting of the National Collegiate Athletic Association recently held in the Hotel Astor in New York City. Commenting to Dr. R. H. Schooler, Director of Physical Education, who was one of Pennsylvania's representatives. One of the greatest dangers discussed was the placing of big college but half interests on fields other than those of the competing colleges. In the south, college have built municipal stadia and many of the contests are staged on these fields. According to many coaches such a condition that takes the gate from the real college campus eliminates the undergraduate spirit and causes the game to take the aspect of an amusement for the populace of the city. Thus little time is spent before the spectators become disenchanted with the schedule and wish to see clever and stronger teams added for their amusement. Then the colleges are forced to arrange a schedule to satisfy the people or a professional team will be organized to meet the people's demands.

At the meeting most of the representatives of the various colleges and universities stated that their institutions have the one-year residence rule while some of the institutions have put into practice a rule which produces athletes that have already represented a college to compete on their teams.

British teams may run here

George Orton invites 2 English teams to Annual Relay Meet

Dr. George W. Green has invited separate teams from Oxford and Cambridge Universities to compete in the Annual Pennsylvania Relay Central next spring as it was thought best to have a combined team from these two British institutions have both teams been so successful during the past seasons that it was realized that either would be able to hold its own against many of American track athletes.

The meet will be allowed to select only two distances just at the Red and Blue squad was permitted to do when they competed abroad. Teams from Oxford and Cambridge have taken part in this meet on two occasions in the past. They won victories in both Central. In 1909 they broke the world's two mile relay team record but their time was beaten by a Pennsylvania team last year.
