Assigning again men to leave School

Bursar wishes again to draw the attention of all students to the Absentee List. The Bursar reminds us that there is no appeal against the Absentee List to the Board of Trustees. Therefore, no student who has been placed on the Absentee List should expect his name to be removed from it. The Bursar also wishes to remind us that the Bursar's Office is open from 8:00 to 11:00 each morning, and from 1:00 to 4:00 each afternoon.

WRIGHT SEEKS MORE OARSMAEN

Although the first week of indoor crew was not in the nature of a competitive meet, it has given us an excellent opportunity to see where our men stand. About 150 men were registered for the meet, most of whom are experienced. However, there are still many men who have not been introduced to the sport of rowing.

The meet was held on the Schuylkill River in Philadelphia. The weather was fine, and the water was just right for racing. The races were held in a beautiful setting, with the Philadelphia skyline visible in the background.

The meet was divided into three parts: a novice race, a junior varsity race, and a varsity race. The novice race was won by the University of Pennsylvania team, followed by the University of Delaware team. The junior varsity race was won by the University of Pennsylvania team, followed by the University of Delaware team. The varsity race was won by the University of Pennsylvania team, followed by the University of Delaware team.

More races and competitions are planned for the upcoming weeks, and we encourage all interested men to join the crew team. The novice and junior varsity races are open to all men, while the varsity races are restricted to experienced rowers.

CLOSE CONTESTS IN CAGE LEAGUE

Interfraternity Basketball League Games Result in Fierce Fought Battles

TWO DEFEATS TO ELIMINATE THEM

As a result of the games played in the Interfraternity Basketball League during the last weekend, one-third of the first round has been completed. The interesting fact is that there are now thirty teams in the league. President Brunner has decided that all blanket quotas being two games will be eliminated from the league.

In the games played Friday Theta Delta Chi defeated Kappa Sigma Phi 34-11, and Delta Sigma Phi overcame the Phi Delta Theta 57-54. In the latter it was necessary to play an extra period to decide the winner of the two teams.

Three sets of games were played on Saturday. In the morning contests Delta Kappa Epsilon defeated Acacia 18-14. Brothers of Kappa Epsilon and Cox starred for their respective teams. Beta Theta Pi conquered Phi Gamma Delta 24-9. Trutz of the respective teams. Sigma Chi overcame the Sigma Nu 14-11. Hotly started for the first half, while Miller played well on the losing team.

The evening games showed Alpha Epsilon and Phi Delta Theta played to a 38-16 tie. Batia periods of three and two minutes were played. In the last minute of the second extra period, a Phi Delta Theta player fouled but didn't represent the same for red and the game ended with the scores still a tie. Delta Epsilon defeated Kappa Sigma 24-10 with Little and Westgate excelling for their respective teams.

SPORTSMANSHIP

Athletic competition between colleges stands for much. If such competition does not produce a better feeling and understanding of sportsmanship than existed previously, it was better that sports be confined to intramural or similar contests if games with teams from other colleges are to prove false, and fatigue rivalry. Many times the unpleasantness arises from the dethroning of the men rebelling the game. An example of this was forcibly brought home to all of us when the Tigers were held to a 1-0 core.

The prospects of the season at Pennsylvania were bright this year, and the management will have much to answer for if it cannot soon secure the facilities which will allow the game without a formidable Red and Blue ice hockey team.

FRESHERS, ATTENTION!

Now that rushing season is approaching and that the freshermen are on the lookout for desirable men, we think that some advice to freshermen aspiring to be held self-helpful and helpful. Below will be found a few simple rules which, if observed to the letter, should insure success.

1. Take lunch at the White House some day. Most fraternity men eat there as they prefer that sort of fare to fraternity house lunches. Observe closely the emphasis on the words and decide which emblem you like best. Then approach the owner of the pin and ask him familiarly in the back. He will at once recognize you as an aggressive young man and a desirable fraternity brother and a warm friendship will spring up between you. He may say a few words of warning to the back.

2. As soon as you have made his acquaintance, launch at once from a recital of your assist successes back in prep school. Tell him of your many "afta", and assure him that the game simply can't resist your charm. This will be sure to make a hit at once as well as visualize the possibility of a date or two, of which fraternity men succeed in making very few.

3. When rushing season opens, if you should receive an invitation to a fraternity smoker, make yourself as agreeable as possible to the reception committee. Criticize the house decorations and the brand of cigarettes and they will know you to be a discerning and fastidious person. Don't fail to tell them that you know that the house is not entirely so clean and that it has undergone a thorough scrubbing especially for the occasion.

4. If a rashness when you decline personally should be present, call and see a member of the reception committee and tell him just why you don't think you should. Assistance of this kind is always appreciated.

5. As you are leaving the room to tell the committee that you will see you some time in the coming season, don't think that he is instructing you to need a bath. Be assured that he has something entirely different in mind.

6. Of course, the right reason, you fail to receive a bid, don't become discouraged. Go around to the fraternity house every night and make yourself at home. They will then realize that you have overlooked you and your bid will be forthcoming. Should it not, organize a fraternity of your own; you can then have your private booth at the Ivy Ball.

THE LAST TWO DAYS

Today and tomorrow are all that remain of the Christian Association's financial campaign, and the goal is still far from attained. Many importunate objects have confronted the solicitors, and many mistakes may easily be pointed out in the general management of the drive; but these are in no wise while methods of soliciting are still in the experimental stage. The directors of next year will undoubtedly benefit by the errors of preceding campaigns.

However, that is not the question of interest today. The very highest possible sum must be obtained this year, and the campaign must make up the deficit to be found. To this end, any favorable or unfavorable impression will be reflected in the amount available to carry on next year.

The now time that our roommate strikes us for a loan, we hope that he strikes us as cordial. The fact is, we have tried to lend him money on several occasions but he has always considered it a gift.

"Yes, okay."

"—so that I can pay back that five that I want to lend you tomorrow evening."
