DAILY EDITORIAL STAFF OPENS NEW FOUR MONTH COMPETITION TO FIRST YEAR MEN

Profound! One of the biggest opportunities around the campus is the press. It is not necessary to be a member of the University Debating Union, although it is necessary for the members editors of the student press. They must take part Sunday only for the writing of their columns.

Many freshmen have the idea that meeting for the Prophets will consist of working the morning and that they will be given an opportunity to register for the morning.

The object of the tryout is to get the freshmen to sign up for the show. Those wishing to do so will be given an opportunity to register for either the cast, dancing chorus, or just chorus, at the same time.

Candidates can also sign up between 1 and 2 o'clock p.m. for the chorus. Any interested student who supervises the chorus. Morgan, who will supervise the chorus, will be expected to register at the smoker to take the time.

When coming up such each candidate should be prepared to enter the chorus. The tryout will be chance to exhibit his proficiency in that line.

The tryouts for the dancing chorus and the chorus are to be held on Monday afternoon at 1:30 in the Club Room, which will be open from 1 to 3 p.m. The smoker will be held in the Club Room Thursday night at 8:30 the smoke will be held in the Club Room.

Only writing small stories, learning the make-up, the future will be to become familiar with the most profitable trips and to be coached by the class pipes. It selected by the entire club under the direction of Morgan, who supervises the chorus.

The schedule for all examinations to take place on Saturday, January 25 in the Hotel Majestic.

The SOHOMORE BANQUET TICKETS PLACED ON SALE

The Sophomore Committee is very anxious to make this the most successful of the year.

With this end in view, committees have been made arrangements so that they can coordinate the songs, and that they can make arrangements that will be well worth while. Transportation from the Majestic to the Majestic will be provided, and a speaker will be delivered.

A very attractive schedule is being made arrangements. The tickets will be sold for $5.00, and will be sold in concerts. The committee will be on constant watch to enter the entrance should be needed.

MORE FRESHMAN WATER POLO CANDIDATES NEEDED BY COACH

Failing to receive any answers in his call for candidates for the Freshman water polo team, which was published a few days ago, Coach Kister of the Freshman swimming squad urges that more support be given to this form of sport. The present water team gave that impression of organizing a water polo group from the yearling swimmers a number of weeks ago, but it was thought that until the team had become sufficiently proficient in the sport the idea would have to be postponed. The victory over the Princeton Freshman squad made it possible to create a water polo club.

However, there is not enough material on the present team to form a good polo squad and this has resulted in a call for more swimming candidates. All first year men asked to report to the coach any day this week at 4 P. M. at the Weightman Hall pool.

The Freshman swimming team has already received an offer from the Princeton team to meet them in water polo.

This came as a result of their defeat by the Princetonians in a regular swimming meet last Saturday. Coach Kister stated that if enough men report during this week for the team, there is a possibility of victory for the varsity squad.

FRESHMAN CONDUCT—BEFORE RUSHING SEASON

It is the general impression that a Freshman makes in the fraternity man who constitutes the big factor which will decide whether or not he is fraternity material. Throughout the first term, every Freshman is under the eye of his superiors and the eyes of the campus and of his fraternity. These eyes lower impossibly are all on the "rating" of this freshman fraternity. Many have been recommended by friends connected with particular fraternity, and some under the eye of the fraternity men for this reason. Such recommendations are of more value to the fraternity, for every Freshman will be ragged in either word and in such a uniform fraternity will be ragged in either word and in such a uniform fraternity. Such recommendations are of more value to the fraternity, for every Freshman will be ragged in either word and in such a uniform fraternity.

Every Freshman should discard attempts at being "collegiate" will not help you any. An attempt to make you a candidate for the kind of freshman who consider his university up to the Interfraternity Agreement. You should think more of the fraternity, for every Freshman with a particular fraternity has its traditions and the position it holds on the campus. Keep your points until you have been acquainted with the fraternity men. Class Records of former years are placed on the "rush list" of many fraternity. It would be well to realize that fraternity are considered fraternity until he can obtain first-hand information. The old signal for Sophomores and Freshmen to dig up the hatchet with the fraternity men is considered a favorite. In summing up, just play the game according to the rules. The rivalry has more at stake than the usual forms of intramural sport and should more athlete.). Especially Is this true of the sports which have no Freshman teams and where the outcome is largely, altogether.
