The score at half time stood 18 to 11 in favor of the Freshman five. The first part of the second half this gap was widened but the visitors made a valiant effort to triumph over their opponents in the last few minutes of play. Lewis, the top man for the Freshman team, scored four field goals and Blackburn, who played right guard, made six field points out of seven attempts.

Lewis led the Freshman team in field goals making four of his many tries count. John McNichol, playing guard after a short period of ineligibility, started the game at a guard position. His work was the feature of the game. Out of the 20 attempts made, for points from field goals, McNichol succeeded in making 12 count. He also tallied two field goals as did Stewart, who went into the game in reverse position.

ENTRIES FOR SECOND WINTER HANDICAP CLOSE WEDNESDAY

Entries for the second handicap meet of the winter to be held on Friday of this week will not close until Wednesday. The management had planned to close entries today but because of the lack of entries, the period has been extended. Entry blanks for the meet may be obtained at Franklin Field or at the office of the Council on Athletics, 3301 Walnut St.

The events to be held at the meet Friday at 60 yd. dash (novices), 3 mile run, 69 yd. high hurdles, high jump, and hammer throw. An eight lap intra-departmental relay will also be staged on Friday.

Lack of entries for the hammer throw has been particularly noticeable. Coach Robertson has experienced difficulty in finding material for this event and likewise for the other weight events. In an effort to obtain more candidates for this branch of the sport, Coach Robertson is giving special attention to the weight men every morning from 11 to 12 and every afternoon from 2 to 3. Liberal handicaps will be extended to inexperienced candidates who enter this event.

There is no close match with the inter-collegiate basketball scene this week. A dish-clutter battle for the 1923 Championship, but hardly anyone expected the rapid developments that have taken place.

Many points went as far as to say that no team would complete the season without at least one defeat chalked down. It seems that Dartmouth, accustomed to many as the "dark horse," gave Princeton a real scare on the Tiger's court, losing by only one point. Needless to say, the flashes of real Nichol's pupils will be the real "dark scores this seems to be the case, but the game view the Red and Blue team a?
