Continued from Page One

It was set to pass, and for the fourth time a rusher will be told of the insubstantial supply of English themes gathered by the brethren in years past. Other selling points will also be heavily stressed. In order to acquaint the members of the Pennsylvanian with the real facts of this important season, we have been searching in vain to procure a series of articles in which he will deal with potent facts describing the experiences of an enthusiastic Greek during his wanderings about the campus during rushing season.

RUSHING SEASON CONTINUES WITH MIGHT MERRY-MAKING

Top off each meal with a bit of sweet in the form of Wrigley's.

It satisfies the sweetest throat and aids digestion.
Pleasure and benefit combined.

COACH MASON'S WRESTLERS ENCOUNTER PENN STATE AWAY

In preparation for the coming meet on Saturday afternoon at 3 o'clock with Penn State at State College, Pennsylvania, the University wrestling team will hold tryouts on Wednesday in Weight Hall. State has a very strong combination which has so far been unbeatable in three starts.

It is feared that the matmen will have to battle the remainder of their schedule without the services of Captains Merle Smith, because of a strained back received in the meet with Lehigh. Smith will be unable to compete against State, and W&M will take his place in the 158-pound class. Wilson, the heavyweight will also be out of the meet Saturday due to injuries received in the first meet with Princeton.

Both teams are aware of the new intermediate wrestling rules and will observe them throughout. Dr. Bruce of Lafayette will referee.

STAGE HANDICAP MEET ON FRIDAY

Seven Events Listed for the Final Winter Track Handicap to be Held On Franklin Field

ENTRIES CLOSE ON WEDNESDAY

On Friday afternoon of this week, the fifth and last of the winter track handicap meets will be held on the hurl of Franklin Field. Entry blanks may be obtained at the office of the Athletic Association or at Franklin Field. All entries for the most part be in by 1 o'clock tomorrow.

Seven events have so far been scheduled: 200-yard run, delayed high hurdles, one mile run, high jump, shot put (16 lbs.), relay van, and javelin throw. All of the contests are handicap affairs and as in the preceding meets silver medals will be awarded the winners while those finishing second will receive bronze medals.

Coach Robertson, in commenting on the handicap meets staged during the midterm examination period, expressed his disappointment at the small number of entries and in conclusion he added that he hoped Friday's meet would be the most successful competition of the season.

Foremost among the men unearthed by the previous handicaps are Slater and Van Allen. Both these men have already shown exceptionally fine form and promise to develop into first-class trackmen.
