Crewmen Hold First Workout On Water

On Saturday afternoon five boats of Coach Wright's freshmen swung up the Schuylkill on their initial trial of the season. The weather for the opening voyage was perfect and caused many other shell artists from the nearly rowing clink to joints in the gin blossom procession of boats, that crowded the stream, in spring over the hill of the opening season.

Coaches Wright and Marsh were on hand to the novice starting comment on water boats and teased the Quaker crews as they paddled away, upon the wide river. "Give us this kind of weather for a week more and our crews will be in shape for any crew in the country." This is all Pennsylvania's crew coach would say.

Both the Freshman and theBird, assidu-
ous were enjoying at the showing made by the novices in their initial trip. Included in the eights that made the first voyage were the Vineyard, Red eight, Blue eight, the newly formed White eight, and Championship 1st B. Crew.

Bennett and eight were, Berne-
brook; No. 1, Trufi; No.3, Onstott; No. 7, Still; No. 1, Chvasser; No. 5, Harris; No. 7, Hyde; low. Wagner. Practice will continue to be held on the river from now on as the first meet for Pennsyl-
vania's rowers is about six weeks hence.

Ithacaan Champions
Outclass Wrestlers

Coach Mason's wrestlers again went down to defeat in Wrightsman Hall. Saturday afternoon, when the brilliant Cornell aggregation overwhelmed the Red and Blue by a 16- score. The Ithacans are last year's Intercollegiate champions and the defeat of the University masters added another victory to Cornell's march to-wards this season's title.

Tyler, of Pennsylvania, submitting for the Harvard, who broke a bone in his ankle during practice last week, went to a draw with Wigston of Cornell. Randi-

nel, University football tackles, proved to be a formidable opponent for Captain Wright, who scored for the big field team in the intercollegiates last year. These two met in the unlimited class and Kauffman, throughout the entire ten minutes, was very aggressive. On the only occasion that the men went to the line, the one minute twenty-second sen-
decision which the Cornell man made was enough to give him the de-
cision.

Summaries:
115 pound class: McWilliams, Cornell, defeated Keip, Acting Captain of Penn-
sylvania, by a fall in 2 minutes 2 sec.
125 pound class: Colburn, Pennsyl-

vania, defeated Hiepler, Cornell, by time decision in 9 minutes 4 times.
135 pound class: Taylor, Pennsyl-

vania, defeated Lute, Pennsylvania, by fall in 1 minute 20 seconds.
145 pound class: Wight, Pennsyl-

vania, defeated Soloway, Cornell, with time advantage to Cornell in 9 minutes.
158 pound class: Burr, Cornell, de-

feated Katz, Pennsylvania, with time advantage to Pennsylvania in 9 minutes 20 seconds.
175 pound class: Macens, Cornell, de-

feated Halwidin, Pennsylvania, with time advantage of 9 minutes 20 seconds. Unlimited class: Captains Wright, Cor-

nell, defeated Kauffman, Pennsylvania, with time decision in 1 minute 57 sec. Referee, Lynch, Naval Academy.

CALL LACROSSE MEN AT TONIGHTS RALLY

Tonight at 7:30 the lacrosse season will be opened with a huge rally in Hone-

ton Hall. The veterans of last year's championship aggregation will be there, as well as Coach Powers and Manager Wallace.

All those who have any intention to be-
covered are asked to come out and help the rally. At this meeting condi-
tions will be talked of, and a definite date announced for the opening of spring practice. Manager Wallace will outline the spring schedule so far as it has been definitely arranged.

Lacrosse has been growing constantly as a sport since its beginning at Pennsyl-

vania, and last year the Red and Blue stiffness won the Intercollegiate Cham-

pionship. Consequently interest in this sport is at a higher pitch than ever be-

fore, and a large turnout for the rally is expected.

GLENMEN LOSE CHORUS CONTEST

University Representatives Make Fine Showing but Fail to Place in Intercollegiates

DARTMOUTH GAINS FIRST AWARD

Although it performed with a higher degree of excellence than it has shown at any time this season, the University Glee Club failed to gain even third place in the Intercollegiate Contest held in New York Saturday evening. Critics who had heard the singers on previous occasions said that their renditions were the best they had given this year. Professor Matthews seemed very well pleased with their work, but they were unable to secure the favorable decisions of the judges.

Dartmouth was awarded first place.
Princeton second, and Yale third, by the degree of the three judges, with scores of 205, 205 and 200 points respectively. No decision of the third judge was announced, because of the unusual tie. The third judge made his decision for the tie vote of thirty, that is, a tie vote would be rendered without accomplishment, and that the director stand at the side of the organization.

As the Red and Blue representatives had confirmed exactly those suggestions in their performance, the prospect of winning the silver cup seemed especially bright, but the outcome of the contest proved otherwise.

Form New Club From Scholastic Society

As a new division of the present chapter of the Phi Beta Kappa Society of the University, a club made up for the most part of the younger members of the organization has recently been formed.

It is the purpose of the chapter in creating this unit, to make the Phi Beta Kappa, which has hitherto stood only as an honorary society, a more realistic, active part of the life of the University.

One of the dominant features of the new Club is that no permanent officers are elected. At each meeting a temporary secretary and treasurer are appointed who, in the absence of the outgoing officers, meet when new officers are chosen. Although membership to the Club will be comprised largely of the younger members of the Society, nevertheless faculty members and graduate students who are interested in the movement may join.

The one requirement is that the candidate be a member of the Pennsylvania chapter of the Society.

The first meeting of the newly formed Club will be held Thursday afternoon in College Hall. Dr. Schelling of the English department will address the assembly.
