**“Lava,” wrote the Freshman, “is what you use to shave with”**

AND perhaps the Freshman was not so far wrong at that. He may have been thinking of lather that rolled down his cheeks, dried on his face, and erupted his feelings in the diatribe out of the shaving process.

Today, there is something better—Williams’ Shaving Cream contains a certain ingredient that is distinctly beneficial to the skin. And Williams’ is easier to shave with. It softens whisker resistance with a speed that takes all the tedious out of the shaving process. Get a tube of Williams’ today and begin enjoying its helpful care.

PREPARATIONS MADE FOR SOPHOMORE PROM

Preliminary plans have been completed in regard to the Sophomore Prom. According to President Morrison, the date selected is Friday evening, April 27. This places the dances right in the middle of the Penn Relays which are to be held on Friday and Saturday. On Saturday as well as the Relays, there will be raced on the river race between the different Penn crews. These races are particularly a very great attraction held by the students at the Prom, as well as to the residents of the city.

This year, it is hoped that the Prom will be the biggest and best event which has ever been managed by the Sophomore Class. Due to the careful selection of the date as an to bring the Prom directly between the Inter-Frataternity Ball and the final examinations, as well as in the middle of the spring, it is hoped that the attendence will make it a great success, as it is always looked forward to as the biggest social occasion in the spring of the year.

Final arrangements for the music are still pending, but negotiations have been entered into with a number of orchestras whose national fame and reputation are unquestioned. The name of the selected orchestra will be announced in a very few days.

Hockey Team Clashes with Strong Princeton Sextette

Continued from Page One

Five veterans from last year will play on the Pennsylvanian team, namely Captain Wanainaker, Pringle and O’Reilly of the forward line, and Kearns and Murray on the defense. Next, the goal tender is the other member of the team and he playing his first season in collegiate ranks.

Last year Princeton defeated Pennsylvania in a closely contested game, while early this season the Tigers outshone the Red and Blue in an exhibition game on the Nassau rink. However in this latter contest, the Pennsylvania team was obliged to play without having had any previous practice. Since then many lengthy drills have been held and Coach Edward Powers is certain that his team will make a better showing tonight. Tickets for the game are priced at seventy-five cents and may be secured at the rink.
