Opportunity Still Open For All Freshmen; Desired of Entering Business Men Who Have Ability for This Type of Work Are Disregarding a Splendid Opportunity to Gain Valuable Experience and to Make Good Career.\n
CANDIDATES REPORT NEXT WEEK

Only a small number of Freshmen have reported to date for the new competition recently started by the Pennsylvania Business Board. For the future success of the campus daily, it is necessary that new leaders be taken from the business and that the new ones be prepared to meet the demands of the situation. It is therefore suggested that all Freshmen who expect to enter business should make every effort to become acquainted with the organization at the earliest possible moment. The Business Manager feels that many Freshmen who have found work for this year are going to be unable to continue in the business field. NOTED ECONOMIST ADDRESSES FOREIGN STUDENTS MEETING
Professor Louis Leuba and Jesus Arana, "JLVV", were the principal speakers last night at the regular Friday evening entertainment at the International Student's House. 1150 Spruce St. Professor Leuba is from Switz., while Arana lived in Switz. before coming here. Both are familiar with the economic conditions in the world today.
Following the two talks an interesting discussion of the questions covered by the speakers was held. Several students were selected to answer questions put to them by social workers.

DEAN FRIZER NOW SPEAKING AT UNIVERSITY OF TOULOUSE
Dr. John Frizer, Dean of the Tower Scientific School, who is, this year, the American Exchange Professor in Applied Science, is now lecturing on chemistry at Harvard University. He is a native of Pennsylvania and was educated in Yale, Columbia, Cornell and Massachusetts. Dr. Frizer left last June for Europe, where he will lecture until the end of this term.

The Paris section of the American Chemical Society has accepted the invitations extended them by the University to hold their monthly meetings in the Harrison Laboratories. Dr. Edward C. Pruskin, the newly elected president of the Society, will speak on "Liquid Ammonia as a Solvent" at their meeting on March 15.

It has been announced by the Franklin Institute that there are available a few tickets for the two remaining concerts by the Philadelphia Orchestra to be given in the Academy of Music, March 15 and April 21. These reserved tickets may be had for one dollar and a half, and can be obtained in the office of the Franklin Institute in Houston Hall.

MUCKERISM

Pennsylvania's reputation for intrepid and sportsmanship is being seriously undermined by the conduct of spectators at the basketball game in Westinghouse Hall. Investigation has shown that University students form but a small minority among the offenders. Nevertheless, the officials and the visiting team will hold Pennsylvania responsible whatever disturbances occur in Westinghouse Hall. They will not stop to analyze the source.

If Pennsylvanians wishes to save the charge of muckerism, those students who occupy seats in the reserved and general admission stands must see to it that unimportant conduct is promptly suppressed. There should be no need to outline the method by which this may be done. That and determination, and enough backbone to face criticism will suffice.

There remains but one more basketball game—the contest with Dartmouth tonight. The Dartmouth leader was evidently injured in a game with the Red and Blue five. Out of respect to Captain Cullen and out of pride in the good name of Pennsylvania, the undergraduate must see to it that there is none of the charlatanish boasting, sizebearing and trash which have marred the last few games in Westinghouse Hall.

COLLEGE RISK-TAKERS

The other day, Harry Young, famous "hard-nut"—plunged a hundred feet to his death while attempting to scale the sides of a New York Hotel. His courageous though foolhardy death was the man who trusts to luck to supply the deficiency in his attempt, to scale the steep walls of a hundred feet to his death while attempting to scale the side of the big dormitory. He's the one who says "Come on, we can't let them beat us!"

Young was only one of a large fraternity of speculators in the ethics of his profession, by having a magazine on his desk, and have lunch with me." This is old, but always stands comes the announcement "Campus Comic Needs Heel - announce that we aren't aware of the change. Two days after the Punch Howl appears on the newsstands comes the announcement "Campus Comic has changed its name, New Directions!" Draw your own conclusions, for we wouldn't be mean enough to say "Then right it done.

FROM AN HONEST HUMORIST

Dear Sir,

Can the seats arranged in a dark corner at a dance be rightly termed as "squeezation" and "squeezation" and "squeeze-ation"? Curiously yours,

REED,

You can't prove it by me, but if you will provide the adequate ticket, I will be glad to go and investigate.

HOW ABOUT THIS?

During the recent vacation, I saw this sign in a restaurant at Eldorado, Tex., Y. A. said: "Don't kick about our coffee—you may be old and weak yourself some day!"

FAMOUS WORDS OF FAMOUS MEN

"Give me a hightime old man and come up to the house and have lunch with me." This is old, but always good.

THE BOARDING HOUSE

Nearly all the No. 3 1-2 colts, and the $1 3-4 are now at those fellows who now that winning horse of the race is not on the track.

A physician, who has offices on Chestnut St, has violated the ethics of his profession, by having a magazine on his desk which reads the reading table that was only three months old.

SOMEBODY HAS SAID

"The average woman has a vocabulary of only 800 words."

And we bet that over half of them are descriptive adjectives aptly termed as "squeezers"?

PHILADELPHIA DEBATE SQUAD
SELECTED FOLLOWING TRYOUTS

Tryouts for the Philo debating squad were held last night following the weekly meetings of the society. From the candidates selected will be chosen the team which will represent the University on the platform. The fact that debating has a strong place in the activities of Phi beta is seen when one realizes that at the present time twenty members of the society are on the University debating squad.

Scalp and Blade Club met at a dinner given in the Press Club. About eighteen members were present at the affair. The annual Phi beta debate will take place, the subject of which debate has not been announced as yet. The Philo team is to be used this year, is now ready to fill the various members of the show and the Club urges all men who have appeared on the scene to report as soon as possible to the same for their tickets.
