CANCEL SPECIAL STUDENT TRAIN

Lack of Undergraduate Interest Causes Management to Cancel Special Train for Prisoners Train

FRESHMEN WILL PLAY PERFORMANCES

Official announcement was made recently that the special train which was to carry the Red and Blue delegation from the Princeton-Pennsylvania train has been abandoned. This action was necessitated because of the uninterest of the undergraduates. Those students who have purchased the special train ticket may have their money refunded at the A. A. Office.

Students desiring to witness the contest may travel on any of the following trains on the Pennsylvania system which will go from Princeton in the case of the train to 3:04 (Broad Street Station), 5:45, 6:45, 7:45, 8:45, 9:45, West Philadelphia, 5:45, 7:45 and 9:45.

May be purchased at the Union Ticket Office.

BEAT PRINCETON
What has not been exactly a successful basketball won for and yet one which cannot be called a failure, chances in the old week when Family meets Princeton at Tharp's town. To the average student the outcome of the game is not of pressing importance, merely because Pennsylvania cannot win the League Championship as she has done on occasion in the past. But, if we try to reason the result of this game should be of utmost importance in Pennsylvania's undergraduate.

The place, the Red and Blue meet the Orange and the Black. Never have these colors clashed without a tense rivalry on both sides. To beat Princeton has always been one of the hardest stunts for a Pennsylvania man, and the matter is recriminatory. It does not matter what the Emily may be, the victory, must be gained. Secondly, a victory over Princeton will give Pennsylvania's quaint a rating much higher than the League standing will show. The Red and Blue once saw have won three out of the last four means that Yale was the one, Delaware, and Yale has hit the 900 club. This means that Pennsylvania has defeated her other rivals after suffering reverses in the first game. A victory over Princeton will mean that the University is back on the ball-tap map—that her team has fought an uphill fight and now stands on a par with each other than Yale—the champion.

The following letter was received from the mother of Andrew Lang thanking the officers and friends of the University for the class pin which made possible the Lang Memorial. The memory of andy Lang will always be with those who were privileged to know him. The class pin, once, will forever be one to

THE ALL AMERICAN BLUFF

The effort a man puts forth to appear at ease when his wife finds him in animated conversation with a woman she doesn't know. How about it, you married men, or you ever permitted him?

NEVER AGAIN

Will anyone persuade me to take a chance on winning something? Just the other day I won a raffle and I took eleven chances on winning one of those pretentious Dayton Downers off; and you wouldn't believe it—some fellow who had all these chances won. Lady Jack jumped up and kicked Tommy and I sat snoring like a hog. A couple of weeks ago a baby was born and for the best interests of both the human beings, and the child who gives at the charity bazaar.

CAUTION Muster PREVAIL

Now the offices of the University publications are all shut to each other down in the south end of the Houston Hall. Those in each office speak in whispers to retain secrets about the features of their forthcoming effort. The beauty of this is, they have no lock or key, so for the new bidders are legion, and we are jealous of every communication.

NEWS FROM PROSH BANQUET

As this paper was going to press my reporter came in with the scoop that things were progressing nicely at the French Broad, the gentleman who owns it being that Chalry Apple made a mess of things by insisting on making a speech in spite of the fact that he was not on the program.

PAG* FOUR

EDEN CROSS, 23

SOLICITATION MANAGERS

Mr. Ernest B. Cozens, with your kindness at that time.

AAT NATURE INTER

Basketball candidates are already practicing. Tennis men will begin doing their stuff in another two weeks, and last Sunday all the young couples were out looking over the rooms for rent—all we need is a few random hopping around on the town to make it convincing.

HOW ABOUT IT

Since those less than a few probationals are awarded a diploma, why should not those twofold individuals whose lives have been the same allegro for a long period of time, be presented with a diploma, or something similar?

A MATTER OF OPINION

A recent magazine article declared Louis Kuhl to be the figure luminary which was most truly representative of Pennsylvania. Probably we have always thought it should be the representative figure here at all events.

Listen to Charlie Apple! He says he'll never give his pin. No matter how attractive, anyone could have him that a fraternity pin would be more appropriate on his dress than on his root.

Who is it who would be wrong one of the instant lopes to permit oneself to do such a thing. Why, that's the last thing to give a girl before you marry her. Why, fraternity gives are for fraternity men, not girls! Fellow like Pete Seward are the ones to let old women wear a pin.

Now take Janet Troubh, nice girl back home, sort of a beach, but, well one couldn't give her a pin. As that little soph. down at Wannamakers, Helen Philips, seems to be a companion of many a Princeton foot loose, why he wouldn't think of ever letting her wear a pin.

Let him rave. We'll give him two months, a pin and a girl.

A PROBLEM IN ULTIMATE CONSUMPTION

When the prohibition enforcement agents seize some illegal beverage, it does not necessarily mean it goes out of circulation. It generally merely the ultimate consumer is change.

WELCOME STRANGER, THRICE WELCOME

Is it true that anyone: Can join your wife? (7) cavv, With poems, press and all of that I wonder if I be allowed?
