WILLIAMS SHAVING CREAM

We SHAVING CREAM has an uneasy habit of chewing gum with gravity. That's why the Williams' Hinged Cap shown here is so remarkable. Yore sink end sunde it to roll down a drain pipe. It refuses to go near the bathroom floor. In brief, it defies all previous governing the behavior of shaving cream caps.

In the second place, Williams' has a positive effect on good for the skin. Your face, with the wholesome care which Williams' gives, keeps in better condition and made more comfortable.

Test out these advantages which Williams' offers. Start with Williams' mornings and see what a time saver it is and how it helps make shaving more enjoyable.

### Sidelines on Footlights

**KEITH—VAUDVILLE**

The source of the bill this week is not due to the headlines but rather to the short-sightedness of managers and managers. The last line on the bill, "Gain Edwards' 'Reveries'" left short of its intended time, and that is why it will be held tomorrow at 1 o'clock. At this time, there will be no orchestral events, the interval, the 10th and the 12th. In the usual way of being the object of laughter, each program will be awarded the object of the intermission. Always.

**115 TO EUROPE**

Many are kept away from Europe by an imaginary blank wall of expense. Get the facts about our cabin service of 14 delightful ships before you leave the United States this year. The broadening experience of Europe and the pleasures of a sea voyage may be within your means.

Passage money as low as $115 entitles you to board the ship, enjoy all of her spacious decks and attractive public rooms—all the pleasures of summer at sea, and sea carefree nights.

The thousands who have been lured away by the fascinations of unknown peoples and sought places—prosperous people, students, men in women of affairs—you will meet them on our cabin steamers. The trip is enjoyable for the whole family.

Write tomorrow for our booklet—"Your Trip to Europe" and detailed information.

**AMEND UNDERGRADUATE COUNCIL CONSTITUTION**

At a meeting of the Undergraduate Council held yesterday afternoon in Rowan Hall, amendments to the present Constitution were considered and incorporated into the revised Constitution. Amendments are being printed in pamphlet form and will be ready for distribution to those desiring copies at the end of the week.

Mr. Higgs was chosen to discuss the matter this week. By this act he is an important part of the Constitution since it is that day that all classes move up. The new Constitution, like the old, provides recognition of the student body and all elections to the student societies, and the various honor societies and clubs on the campus are announced. Mr. Higgs marks the termination of the work or the present offerings of the Council in its present form or to those newly named.

All members of the Undergraduate Council are entitled to be Senior Advisors in the Freshmen dormitory. No one is named who would like to assume this responsibility are urged to send in their applications so that their names may be considered. The Council is receiving applications fairly for these positions and one or two students are trying to win the privilege of serving the species, and a final decision will be made at the Council's next session.

**BROAD—THE TRACK MENS**

Harry Miller led his track men to victory in this year's group of meets. The program is clear and the team's present strength is the best of the team's three participants. The results are recorded in the world's record.
