The Professor passed him immediately.

It was the first question in the course on Shaving—"Why is the handy cap not a handicap?"

and the student replied, "Because it can't get lost."

He referred, of course, to the Williams' Hinged Cap which you see pictured here. This invention puts an end for all time to the nuisance of losing caps. As you see, the Williams' cap is hinged on. It's the only college cap that you can't lose.

Williams' Shaving Cream is as pleasingly better as the new cap.

Varny Team Wins
Quarter Mile Relay

Pennsylvania's track team took a lead
costly pay in the Relays held in Philadelphia
Friday and Saturday afternoon.

Starting with the quarter mile relay the
Varny was off with a great start. The
team composed of Captain Laver, Hill,
Baker and Gill set a remarkable
race and breaking the Varny record,
finished first in 446 meters, only 1/2
of a second slower than the world's rec-

The other great event in which the
Varny competed on Friday was the dis-
ance running relay won by George-
whale University, one simply by the first
of Century; there coach Miller Ohio
State Philadelphia second and Pennsylvanias
third. With a mile and a third place in
two-steps the prospects for Saturday
were encouraging.

Rose, competing with an injured foot,
exploded second place in the broad
jump with a mark of 21:16.5. This
distance was far under her previous
showing and there is much speculation
as to the result had he not injured his
foot. History took third place in the
sprints these with a mark of 10:4 and
Needs placed third in the high jump with
51:51.

In one of the closest events of the-
day Owens tied with Wilker of Michi-
gan for first place in the pole vault with a
distance of 12:0 and won the price of
a topee. Sherrill placed fourth in this
event. Lewis did not start in the 100
yards, nor McCane in the two mile race,
both being reserved for the relay events.
