The confines of one business—or contact with them all.

Insurance is the wide road that maintains active association with big men and big affairs, with many and varied interests. Insurance—Fire, Marine and Casualty—is an essential part of the most vital activities of the commercial and industrial world.

As the oldest American Fire and Marine Insurance Company, so greatly responsible for the present dignity and prestige of the insurance profession, the Insurance Company of North America urges undergraduate men to give to this worthy calling the consideration that it due.

L'A CERCLE FRANCAIS  WILL MEET TONIGHT
Lo Cercle Frangais, the University French Club, will hold its regular monthly meeting in Josiah Cool's Club, Auditorium this evening. The meeting is scheduled for 8:30, and has been given over for the reception of all those interested in French. According to James Furlong, TDWS, president of the club, many new members were admitted at the October meeting, but a larger invitation has been extended to all, especially first year students. A short lecture meeting will precede the entertainment. Election of a treasurer, which was postponed from last month, will be disposed of, and the evening will conclude with dancing.
