MAMMOTH RALLY WILL INSPIRE GRIDMEN "TO BEAT CORNELL"

Student Body to Assist on Franklin Field at Regular Practice

TEAM MEET TAKE SEAWEED TRIP

One of the biggest football rallies of the season will be held on Franklin Field today. The entire student body is expected to turn out to witness the parade and to cheer the team that may rise to great heights and defeat Cornell.

The band will march to the field, led by "Shorty" McShane, the mammoth drummer, who will give the signal for the staff for the cheers to begin at right for Penn State, tailgating two of the goals. "Shorty" McShane will be in charge of the bell section, and the clanging of theavor will be heard for the staff of the band. The cheers will be repeated at a later hour, the clock striking the hour of the start of the game.

ARRANGE FUTURE MATCHES

The coaching staff is again concentrating on the end of the season, which will be played on Franklin Field the following Saturday afternoon. The victory over Yale will be the last to be held on Franklin Field this season.

Lightner's Eleven

Humbles Delaware

With Rapo and Carpenter bearing the brunt of the attack, Dickinson College defeated the Fighting Quakers, 21-0, before a fall afternoon audience. The victory assured the team of a place in the Delaware team last week. Dickinson went into a meeting position on the final game of the season.

Dickinson also will meet a tough opponent in the final game of the season on Saturday afternoon against their rivals, Penn State. The game will take place on the same field of play as the game against the Quakers.

ELECT NEW OFFICERS

Officers of the Women's Graduate Club at the University were elected at a recent meeting of the club held at the Beacon Club. The newly elected officers are: Ruth L. Cutler, 23, Wharton College, chairman; Frances E. Dreyfus, 24, Pennsylvania, vice chairman; Eliza- bell B. Kestner, 25, Moravian College, secretary and treasurer.

In addition to holding the elections the club decided to hold meetings regul- arly on the second Wednesday of each month. Definite plans for the year have not yet been completed but the program will include lectures by well known men in the various fields in which the graduate women are interested.

Opportunities will be given later in the year for graduate women to meet in groups in order to become better acquainted. All women, taking graduate work in the University are eligible for membership and are cordially invited to attend the meetings and become a part of the club.

CORNELL TEAM LEAVES TUESDAY

Squad in Excellent Condition With The Exception Of Lindstrom

Owing to the fact that Coach Duval was in New York to see the Army-Navy game on Saturday, Cornell did not engage in regular practice except signed drill. On Tuesday evening the Big Red team will leave for parts unknown. Lindstrom, the veteran tackle, is the only regular who is on the injured list. He has not participated in any scrimmage for the last two weeks, but Coach Duval expects him to start against Pennsylvania on Thursday.

RIFLE TEAM ENTERS INTERCOLLEGIATE MEET

In addition to the regular meets scheduled for the coming season, the rifle team has made arrangements to enter a special intercollegiate match to be held in New York City some time during January. At the present time it appears that half a dozen or more prominent universities of the country have already expressed their desire to take part in this contest which has been announced as a shoulder to shoulder, in all positions, match. The fact that this is the first time that more than two Eastern colleges have shot in the same competition promises to introduce a series of amusement which will be held annually.

The first match of the National Rifle Association will be staged on December 1, the first day after Thanksgiving recess. Although the town has been greatly handicapped due to the closing of the ranges to facilitate football prac-
