A TRUE friend is a staunch companion, a master of ceremonies—a host who bounces you the right way—offering the right note—being. Sharing Preston way back in 1886, when we were naifs, still finds them the same reliable friends each morning.

Rubberset are always ready to whip up a big, steady, high note that works down to the very zone of the tail—shining each atom, easy to cut.

Gripped in rubber—guaranteed.

There is nothing for Rubberset's remarkable service. Every Rubberset blade is gripped exquisitely in hard rubber so it comes out, get nibbled with the latter—shimmering.

Just for added certainty, Rubberset Blades are guaranteed—unconditionally. The blade is good as new. Each brush maintained as well. Get this prime material at a cheap, sold share of consequence with the campus. Made by Rubberset Company, Newark, N. J. U. A.
