At Campus Churches

Christmas will be the keynote of the services in the campus churches tomor- row. Music appropriate to the season will be a feature of the services at the Chestnut Street Baptist, Portieth and Chestnut streets, and the Varnum's Presbyterian Church, Thirty-second and Chestnut streets. These same two churches will alternately several epistles in the afternoon service and evening with Christmas trees and candy.

At the Church of the Transfiguration, Dr. George Barton will have charge of the services in the absence of the Rev. John B. Hart, Jr. Dr. Burton holds the chair of the History of Religion and is Professor of Semitic Languages in the University. He came here last year from Bryn Mawr to take the place left vacant by former Prof. Dausch.

The Rev. Hart will conduct the ser- vices at the Hill School at Pottstown, Pa., on this Sunday morning. In the afternoon he is going to address the members of the Pattotown Y. M. C. A.

As Church of the Holy Communion, at Twenty-first and Chestnut streets, Dr. Arthur Baltoe will speak on "Light and Insight." He is a professor in the Theology Department of the University and has recently been giving a series of occasional lectures here.

MEDICAL FRESHMAN
WIN GRID CONTEST

After a hard fought battle, on Frank- lin Field yesterday, the freshmen in the medical school defeated the sophomores 7 to 6 score. The victory came in the second half of the game, due to the poor playing conditions, and a won- by pace un the Marhelski, former senior player at the University.

Krack and McCarty played a great game for the freshmen. Krall's off tackle dashes and end runs were the means of gaining many yards from scrimmage.

For the upper classmen, Brodie Stephi- ens, junior star, proved his susceptibility to starting at the quarterback post. Tho- mas and McPheters directed the team with the skill of a veteran signal caller, and also was his turn at running with the half. Friendly and Nick also played well for the upper classmen.

LAFAYETTE CAMERON HAVE TOUGH SCHEDULE TO PLAY
Twenty-two games are included in the Lafayette basketball schedule this year. It is one of the stiffest schedules which a Lafayette team has faced in the history of the sport. The line will face Briskett Brisk Team in the second engagement of the season.
Douglas Crane, who is captain of the Easton team, leads the team to victory last Wednesday evening against the Eastern Club of Brooklyn. Duffy, at center, is one of the best pivot men developed by Coach Anderson during his coaching regime of the Lafayette squad.
The squad will not be seen on the home floor until the eighth game on the schedule with Sewardham on February 2. The team faces four of the stiffest opponents, who are among the first opponents to be faced, will offer some of the best opposition to be faced by Lafayette during the winter season.

ALUMNI AFTER VARSITY’S GAME

Continued from Page Forty

Jack Derry will lead the Varsity against the alumni. Derry has now fully recovered from the effects of the infection which prevented him from playing against Penn State and Lafayette this season. He has taken a lot of practice with the team and will be the same as that started in the Cornell game.
This practice from the game will be used for a twofold purpose. A certain amount of practice will be built into a portion, while the balance will be given to the French War Orphans Fund.

Phi Kappa Psi registered at 2 minutes 14.4 seconds. In the absence of the Ehrlich, Coach Kilner appointed the cap to the Phi Gamma Delta Fraternity, who will be presented with it at the last fall full when another similar meet will be held. At the same meet an amazing announcement was made that another interfraternity meet will be held on the same day. The news was received with great interest and had a real ring of promise.
