Field Club Downs Stewart's Proteges

Red and Blue Leaves Victories at End of Indoor Sports

The West Philadelphia Field Club defeated the second team in the second annual conference meet, as decided by Stewart's Proteges, a score of 11 to 3. The Field Club secured the competition point before the full house, but it was, in spite of the fact the game was closely contested throughout.

O'Donnell scored West Philadelphia's goal early in the game and was followed immediately by Schiller, who made the game even at a point from past 4. A few attempts were made by Stewart's Proteges, but it was not until the end of the half that the score stood 2-2.

The opponents opened the second half with a quick goal, but Red and Blue regained the two-goal lead on a pass from 2. A few attempts were made by Stewart's Proteges, but it was not until the end of the third that the score stood 2 to 2.

The Field Club scored again from a pass from 2, but the score was not until the end of the third. Several attempts were made by Stewart's Proteges, but it was not until the end of the third that the score stood 4-2.

The game continued with a few more attempts by Stewart's Proteges, but it was not until the end of the fourth that the score stood 4-2.

HOUSTON CLUB SELLS WIGGERS SONG HITS
In pursuance of its policy of extending its effective service and maintaining it not as a source of supply to residents, the Houston Club has each week held its field of activities. For the first time in its history, the club now offers for sale, at the price of $1.00, the concert of this year's Mark and Wigg Club production, "That's That." This marks the first time that the Mark and Wigg annual has ever been sold prior to its being given. This year's annual was given at the Forrest Theatre in this city.

For the purpose of adding to the already existing improvements of the club which have been instituted since the change in the management in January of this year, the club has opened its doors to the Merchandising Department of the Wheaton Bank for investigation. This club will study the various methods of merchandising the organization in an effort to secure some new source of added income for the club.

This undertaking, while not only an effort on the part of the club to create its own opportunity, will also give the students an opportunity in merchandising to further some previous business knowledge.

SWISS UNIVERSITY OFFERS NEW COURSE

Opportunity for first-hand investigation under competent instructors at the present the heart of the international government, into the origin and operation of the League of Nations has been offered to students of international affairs. To this effect a notice has been received at Reed College of the thirty-third annual summer school to be convened at the University of Geneva in Switzerland from July 15 to August 8.

A series of thirteen lectures designed to present salient aspects of the league will be delivered from August 15 to September 15. These include five lectures upon the origin of the league, its constitution in theory and practice, its evolution, and its future and international problems to be added. These are to be given by M. C. Smith, professor of international law at the University of Ottawa. The exhibition of the League for the promotion of political science is subject matter for the lectures. Including those on cultural matters, the promotion of minorities and disarmament, the evaluation of the international order of the league and work done by to promote world peace are to be discussed in the remaining lectures.

In addition, other lectures on current international problems will be delivered by some of the most prominent statesmen of Europe.

WESTERN SWIMMERS BREAK WORLD RECORDS

Three world records and a national mark were broken in the finals Friday night of the National American Amateur Athletic Union men's indoor swimming championships, which take place every four years, at the Olympic Club, San Francisco. The official time for the 440-yard back stroke by Robert Skelton, I. A. C., was a world's record, 1:10.1, and his mark of 1:09.55 set during the 220-yard breast stroke is the American record. John Farley, I. A. C., broke the world's record for the 400-yard relay, 1:50.93, and set a new national mark.

MILE RACE SHOULD PROVE CLOSE

Harvard promises to be very prominent in the Pennsylvania Relay Carnival title this year, according to a letter received this week by George W. Ott, Yale Harrasser, from Coach Farrell, the Crimson track coach. The New England school will have entries in the sprint med-

ies on April 25 and is scheduled to enter a fast aggregation of cinder-track stars in the one-mile and hurdles relay championships which are scheduled to be run on Saturday, April 26.

For the running relays Coach Farrell has such premier performers as Brooks, Hulb, Kane and Nellig from which to choose a pair that will contain the catch. Allen, who showed such good form in the Indoor Intercollegiates at New York, will be on hand for those events, and Walters, who covers the half-mile dis-

tance in a minute 15 seconds, rounds out the team which promises to give the quintet from Cambridge and the American college plenty of opposition.

All indications point to a real battle in the race, which is scheduled for April 26, as Yale, Harvard, Holy Cross and possibly other schools, who have teams that beat about 2 minutes 20 seconds. In the respect the Crimson entry has the advantage, inasmuch as the Harvard team has shown improved times in every race run since Christmas.

Harvard will send some good men to the meet, and some good men to compete in the special events, as East- man, Spence and Carpenter all are good weightthrowers. Eastman has done over 130 feet with the shot and his long-
mate, Dusker, has averages of about 44 feet in the event. Carpenter makes a specialty of the discus, which he has thrown 162 feet.

### Michigan Installs Faculty Student Discipline Board

The student self-government movement received impetus last week as the result of favorable action of the University of Michigan, the largest of the Mid-Western schools. The amendment takes shape in the form of a faculty-student discipline board composed of three members each, from the Senate Council and the Student Council. The proposed scheme was favorably received by the Student Council.

The purpose of the newly created board will be to allow the representatives of the student body more power in the control of discipline in their own areas.
