HAMILTON PRAISES WORKS OF SHERIDAN IN LECTURE BEFORE ARTS ASSOCIATION

The lecture "The Arts of Life," by Mr. Hamilton, who was the first to introduce the works of Sheridan to the American stage, was given in a most interesting manner.

"There are few plays written by the English dramatists," said Mr. Hamilton, "and the works of Sheridan are among the best."

The lecture will be repeated next Monday night in the same room.

SMOOTH, WELL-KEPT HAIR IS NOW SO EASY TO HAVE!

UNRECKPT hair once was nearly-unruly hair is today.

Most men today realize that, as well as now that nothing suits the whole appearance so quickly as hair that is cut off place.

But what could they do? Old-fashioned methods provided only mutilated the hair and made it worse. Water evaporated within an hour and left the hair dry and more worse than ever. That's what could have been avoided.

That's why Stacomb was invented. At last—a way to keep the hair in place.

At first known only in California colleges, the story of Stacomb quickly spread. Today, well-dressed men everywhere found Stacomb what they have always needed—an easy, natural way to keep the hair looking just the way they want it to look at all times.

Perhaps you put your hair in the wrong. Perhaps on the right side. Perhaps on the left. Perhaps you comb it straight back. It makes no difference; Stacomb can keep it just the way you like it.

It works! To a bunch of it in the morning, and your hair will stay just the way you want it all day long.

No matter how unmanageable your hair may be after being washed—no matter how dry and stiffly by nature—Stacomb will keep it in perfect order, always smooth, firm, lasting.

Women love Stacomb, too. They find it essential to prevent snags, to make the part stay in, and keeps the hair in the prevailing fashion.

The Stacomb formulac sensitive and best your best all day. A delight, always available in straight and non-grease, in tins and tubes at all college drug stores.

BOOTERS INVADE ITHACA FOR THIRD LEAGUE TILT
Pennsylvania Democrats Leave Today to Engage League Trainers on Foreign Territory

ITHACA WEAK ON DEFENSE
Pennsylvania's undefeated soccer eleven will leave this morning for Ithaca, where it will engage the Big Five combination tomorrow afternoon in its third league contest of the current season. The first two conflicts resulted in overwhelming victories for the Blue and White; Harvard, was beaten by a score of 5-0, and the Yale Yale aggregation was subdued in the tie of 2-2.

According to the official statistics, Cornell's attractions are to be weakened in the Intercollegiate League, having been set back by the Yale, Harvard and Rutgers aggregations. They opened their season with a victory over Colgate 7-1, over whose heads have been placed by Pomona, 3-0, in their only other non-league engagement. In its latest played than ever before, Brown and White combination has triumphed a week ago, when the Cornellers were able to hit upon a cunningly worked-out method of coordination. The forward line is composed of the three every since the New Yorkers have taken the field. The left side is handicapped by it — that the Cornellers can study but they, with the services of Captain Davenport, Daniel and Hopkins. To date the outstanding story have been Captain Cook, Bennett, Cochran and Euseman. Coach Douglas Stewart, of Philadelphia, has worked his team so hard this week as though they were up against a hard farm tomorrow; our side it is likely to be in a comparable score. He stated that all the Varsity men are in good shape.

JACK HART VISITS ROCHESTER

Under the direction of the Community Centre Committee of the Church of the Transfiguration, extensions plans are being made for a public bazaar to be held November 11 and 12. This sale will be in anticipation of the Christmas season and will be supported by all the Episcopalian Churches.

After a home-cooked dinner in the parish house of the church, a dinner to which all University students are cordially invited, the sale will take place.

There will be an individual college booth where articles put on sale by the men and women students will be the nerve of the sale. Such articles as cartoon, comic, pieces of fancy work, etc., will be sold at a cooperative basis. This is an entirely new feature, and if it is successful it will be installed as a permanent part of the Center.

The proceeds from the sale will go to the development of the Center, as well as for the church. The Community Centre is under the direct supervision of Miss Hall, head worker of the church, which is assisted daily by several women students and an equal number of men.

The Rev. "Jack" Hart is scheduled to hold chapel services and give a lecture to the Young Women's and Young Men's Christian Association of the University of Rochester, N. Y. Monday Tuesday and Thursday of next week. He will also meet with the members of the three social clubs and with the Honor Club of the city at a breakfast. He will talk at a dinner to be given to the men of the Rochester besides traveling a class each day in Bible reading and teaching. His customary — he takes up to personal interviews with the students of the University.

These arrangements were made when the Rev. Mr. Hart attended the Rochester University President camp at Penn Yan, N. Y. Aside from the special religious meetings and talks on his schedule, he will be present at the athletic period and rides.
