THEY ARE STARTING TO LOOK YOU OVER

Frost! This preliminary rushing means you must prepare to stand the gaff.
It's alright when they know about your morals, character and other good points. But when only the fleeting impression left by your appearance alone counts what yoked, so no matter how good a fellow he may be under his trick suit, stands a chance.

Milk Facts For College Men!

Dr. McCormell of Johns Hopkins University, says:

“The people who have used milk and its products liberally, are the people who have achieved, who have been large, strong, vigorous people, who have had the boat races in the world who have an appreciation for art, literature and music, who are progressive in science and in every activity of the Human Intelect.”

WOMEN NATATORS MEET RIVAL TEAMS TODAY

Pennsylvania's women natators will take part in their first swimming meet of the season this afternoon at 3 o'clock, when they compete with the representatives of Drexel Institute, Temple University and the Philadelphia College of Osteopathy at the Hebrew Association pool, Broad and Pine Streets. All the teams have been practicing卓卓ately for several weeks, and while competition is expected to be keen, the courses of the Pennsylvania team are confident that their athletes will make a good showing.

The team representing the University has lost but once during the long season. It is as follows: Swallowtrotter, Alex. H. Burton, A. M. Martin, backstroke and breaststroke; R. MacCordale and E. Sterne, diving; Helen Martigall, Millie, J. Somerfield and B. Bepp, breaststroke, swim two events, C. Cook, R. Marsh, C. Remeser and B. Bepp.

Several meets are being sponsored with Drexel Institute of the Philadelphia to take place after the university examinations period. In view of the considerable swimming material that has shown up recently, these courses are expected to match the Pennsylvania women with their rivals of the city. No less than three chances to distinguish themselves in this athletic activity.

Inconsistency of Rule INTERPRETATION BLAMED FOR DEFEAT AT HANOVER

Continued from Page One

When competition is in a bit of rough than the referee invariably called a foul. Pennsylvania's superior passer and rebounder time and time again lost the ball because his followers in adjustable clothes all blocked and forced the ball out of bounds. When Drexel was penalized without knowing their best game of the season and used for the sake falls at least partially with Drexel's men. The offense would have been different. The return game with the University next year will be played on the March 5.

FRATERNITY CO-OPERATION SOUGHT BY ALUMNI GROUP

Continued from Page One

Mr. Stouffer Towndhall, well known in alumni circles and a member of the Alumni Endowment Committee, will deliver an intemal talk on the fraternity co-operation endeavor. The plan for the entire endowment drive among the University alumni is not the purpose of the alumni representatives to make a plea for ends. His theme is to acquaint the fraternity with the importance of what fraternity cooperation among the present and future members is for the University's service. The cooperation of such fraternity among to alumni will be discussed by Mr. Stouffer. It is the purpose of the Alumni Society to call the appropriate fraternity in the forbearance of the alumni endowment drive. Theiss Alumni Council will be better able to pass on just if this of the fraternity cooperate, no direct interest has to be the University's service.
