C.A. WORKERS RALLY FOR LAST MINUTE SPURT AT FINAL LUNCHEON TODAY

For the first time in its history, the University Senate has scheduled a final luncheon for today. In the past, such events have been considered unnecessary because the Senate has always met the day before the opening of classes. However, this year it was decided to hold the luncheon in order to give the workers an opportunity to have a meal before the opening of classes.

PACONTO, HART, HENDERSON AND ZEHRING TOTAL RETURNS AMOUNT TO $3,577

Reports from signatory groups will be given at the luncheon. The chairman of the Signatory Group, Mr. Zehring, will present the total return of $3,577. The committee includes Mr. Pancoast, Mr. Hart, Mr. Henderson, and Mr. Zehring.

RECORD ISSUES LAST CALL FOR MATERIAL

Editor-in-Chief Harry Temple, in an editorial today, said that the Campus Record is to be discontinued after the current issue. The reason for this is that the editors have been unable to find sufficient material for future issues. The editors have been working on this issue for several weeks, and they are now ready to move on to the next issue.

Students who have material that they would like to contribute to the Record are asked to submit it to the Record office as soon as possible. The Record office is located in Room 101 of the Administration Building.

Plans for the launching of the Alumni News have been completed, and the office of the Daily will be equipped with equipment to broadcast the program. The program will be broadcast live from the Daily's studios in Pittsburgh. The program will be heard by the members of the University who are unable to attend the Alumni Reunion.
