CHRIStIAN ASSN. DRIVE APPROACHES $5,000

Continued From Page One

regulatd was the announcement of James M. Henderson, president of the association, last evening. "Approximately, $1,400 per day is the amount at which our machines must travel in these two days in order that the nation's failure" may not be stamped on our efforts, and this is surely not fair to those individuals who have been giving real constructive effort day after day. The sum of $47 turned in by each member of the committee will bring us over the top. Let them then be the smartest, finest per cent. return."
