The largest contribution to the book comes from the color plates, which are contributed by a number of artists and poets. The color plates are reproduced in the book, and are expected to be a great success.

Capitol City Aggregation Has Scored

Decisive Victories Over Yale and Houston

KRUZEL SLATED FOR MOUND DUTY

With a record of sixteen victories and one tie in twelve games, the varsity baseball team will clash with the mighty Georgetown University team on Franklin Field at 1:30 this afternoon.

The Washington aggregation, with the strongest team in recent seasons, hopes to triumph over the Red and Blue in this important game between the two institutions.

Both Boston College and Yale, victors over Pennsylvania, have been defeated and ordered to the bench. The New Haven crew was entertained on its way to a game in which three 11ers were driven over the mound before the score ended.

Later in the season the Georgetown University team will visit the Pennsylvanians in a return match.

The clash with Georgetown in the Big Ten game is anticipated by all. Thursday afternoon, with the possibility of rain, will probably be ruled out.

The team will then take its leave of Pennsylvania for its final game of the season with the Villanova College club, which usually is defeated by Pennsylvania.

We knew there were a great many P. S. courses, but we have still to get over the shock of reading the following in the announcement that Thurston, whose wis-...

Chances are good to establish the
