Crews Practice New Stroke Under Spahn

The Freshmen class was placed on the same level this time. The new stroke follows the regular style of the University of Washington during the last few years.

At the present time the Medics, Merck and Commodores shells are being rigged and ready for trial on the Schuylkill. The two tentative first and second squad shells were given their first tune-up for the last two weeks on the water.

COACH D'ELISCU CALLS GYM TEAM CANDIDATES

Outlines Season's Schedule at Sporled Rally in gymnasium hall yesterday Evening.

LACK (MANGULAR CANDIDATES

A large and enthusiastic group attended the gym team rally held yesterday in Wrightsman Hall. Mr. D'Eliscu, president of the Middle Atlantic A. & E. G. and coach of the gym team, as well as director of athletics of the Philadelphia Sesquicentennial, gave a summary of the plans for this season.

Mr. D'Eliscu said in part, "The gym team has had a large following here in Pennsylvania as the work and accomplishments of the team show. The success of the team has brought the intercollegiate championship right here to our own school. Uncompromising sportsmanship is as important in intercollegiate athletics as it is in sports. Other sports, such as baseball, can be safely played against men of other classes, and the members of the gym team will have to give the best service and play the finest games in the world."

"The best part of gym team work is a feeling of teamwork, and the present gym team will have to give the best service and play the finest games in the world."

Mr. D'Eliscu concluded by asking those present to support the team.

LACROSSE MANAGERIAL CANDIDATES CALLED

Colin M. Mathieson, manager of lacrosse, wants all managerial candidates to report to him today between 12:30 and 1 o'clock in the French Room. Mr. Mathieson said it is the best part of the work and he is looking forward to the outcome of the next season's plans for managerial competition. All candidates for the managerial post are asked to report at 1 o'clock each afternoon to the gym team room. Candidates for the managerial post are asked to report at the end of the season for the rest of the work.

Add Gloss and Lustre, Makes Your Hair Easy to Manage

If you want to make your hair easy to manage and add both natural gloss and lustre, this is the product for you. It is easy to use and it is very easy to do.

Take a few drops of Glosser on the fingers of your hair brush, and brush it through your hair when you dress it. You will be surprised at the result. It gives your hair an unusually rich, silky gloss and lustre—instantly.

Glosser simply makes your hair more beautiful by enhancing its natural wave and color. It keeps the waves and curling, and leaves your hair so soft and pliable, and so easy to manage, that it will give you the hair that you want, and keep it, and even enhance it—easily.

A few drops of Glosser impart that bright, brilliant, silky gloss as much admired, and your hair will daily sparkle and glow with natural gloss and lustre. A large bottle of Glosser costs a trifle at any drug store, but a good-sized bottle is a great good investment. Try it! You will be delighted to see what a natural, more beautiful your hair will look, and how easy it will become to manage.

Registrar of Admissions he has proven himself an able executive and
of his winning personality and his ability to lecture in an
amusing and interesting manner.

The high screen in which Dr. McCollad is held by
the students was demonstrated at the last Love Feast, held in the Spring of 1928, when he was voted the most popular
person in the College.

It was a tribute to his work as an
instructor and an expression of appreciation for the
continuous interest which Dr. McCollad has always exhibited in
student and University affairs. He has never hesitated to
sacrifice time and energy in the interest of Pennsylvania.

In assuming the duties of Visiting-Professor, Dr. McCollad
fills the post long vacated when the Trustees acceded to the
desire of Mr. J. Hartley Merrick to retire from the office
in order to devote his entire time to the University Council
of Welfare, of which he is chairman. Mr. Merrick was greatly
loved and highly esteemed by all who knew him on Vis-

his work in the future.

In Dr. McCollad, we believe he has a
worthy and loyal successor.

A WORTHWHILE LECTURE

With the address this afternoon in College Hall by Walter
Pritchard Eaton, eminent lecturer, author and dramatic critic,
one of the most inspiring opportunities has been
a man who has travelled far in the realm of literary achieve-
ment. Although it is in the field of drama which Mr. Eaton
is best known, he is also a celebrated lecturer and the
author of many books. He is one of the foremost dramatic critics
in the United States, and his name is known throughout
the English speaking world.

This lecture lecture is one of a series of talks by prom-
inent men now being conducted under the auspices of the
Arts Association. It is part of the Association's policy
of bringing to Pennsylvania some of the keenest minds on
any subject who has made a
