MEMORIAL HALL AND THE ARTS

I have been, for many years, deeply interested in the work of the Christian Association of the University of Pennsylvania and have watched with profound satisfaction its development and the increase in numbers among the student body.

This Association is active, aggressive, enterprising, and enthusiastic, but it is not only at the University, but also in the community. The work has been successful, so far as I can, and I have profited greatly from what it is doing, and gain a great deal of experience.

COLLEGE BANQUET PLANS

Endorsed by Faculty

Aim of Dinner is to Establish Social and Historical Relations Between Faculty and Students

SUCCEED OF HONOR NOT ANNOUNCED

Strongly ordered by members of the faculty, the tentative plans for the College Banquet in connection with the annual meeting of the Arts Association, are rapidly nearing completion, and require the announcement of the names of the faculty and the prominent citizens in charge. This enthusiastic reception on the part of the students has given new life to the efforts of the Student Senate, and the undergraduate body of the College has been held in abeyance awaiting the decision of the faculty.

The faculty, realizing that the decision of the faculty was an essential element of the scheme, has expressed its approval of the plan. The announcement of the names of the faculty and the prominent citizens has been made known.

The faculty has decided to hold the College Banquet on the evening of February 19, the second night of the annual meeting of the Arts Association. The faculty has also decided to include the students of the College in the festivities, and the program will include a variety of entertainments, including musical performances, dramatic productions, and other activities.

The faculty has also decided to include a special feature, the presentation of an award to the outstanding student of the College. The award will be presented by the president of the College, Dr. Felix H. Shellenberger, and the recipient will be chosen by the faculty.

These headline attractions are grouped to feature an extraordinary bill of stars to be presented at B. F. Keith's Theatre during the week of January 11. Few pro-
gresses in the past have contained as many affairs and features so prominent in the
theatrical world as this one, but while the names are familiar in vandettile the
affordings are new this season and the show as a whole is chosen as one of the best seen here in a long time.

Foremost among these stars is Bella Baker, America's greatest
character song comedian who makes her annual visit to Philadelphia where she has built up a following second to none enjoyed on the Keith-Albee Circuit. Miss
Baker is called "The Incomparable." She has no peer either as a singer of a character
song, and she sings a ballad or a just

ROWING MENTORS CALL FOR ADDITIONAL CREWMEM
Continued from Page One Better way of dealing with the wind than merely paddling the oars. Several former Varsity oarsmen, who are in graduate departments of the College, have signified their intentions of coming out every day for a workout on the machines. Among them is Jack Pers. who in addition to winning his letter for three, was also a Varsity football player. Earl Hunter and Bert Leach, both members of the 1921—35 R. C. crew, also expect to be working daily from now on. The fact that this year, although they were not eligible for positions on this year's Varsity, should report daily for practice, serves as a fine testimonial for the sport as a means of exercise, while the coaching management wishes to urge everyone who is interested to sign up at once.
