RED AND BLUE GYMNASTS
READY FOR HAVERTOWN

Pennsylvania Team Arrives All First
Place in Dual Meet With Ohio Wesleyan
INTERCOLLEGATES MARCH 21

Prytania's gymnastic team, having
returned Monday from a successful loca-
tion of the middle-west, is again under
many daily practice to get into shape for
the meet with Haverton on February 19.
Coach Francis W. Dienes is very satis-
fied with the team's prospects after their
fine showing in the Ohio Wesleyan meet last
February.

In the Ohio meet the Red and Blue
gymnasts took every first place and two
seconds, winning the contest by 714 to 339
points. The summary of the events fol-
lowed:

Horizontal Bar-Krieger, Penn; sec-
ond, Gardner, Penn; third, Long, Ohio.

Horse—Krieger, Penn; second, Hoy;
third, Krueger, Penn.

Parallel Bars—Krieger, Penn; second,
Harris, Ohio; third, Gray, Ohio.

Krieger, Penn; second, Krueg-
er; third, Penn.

Tumbling—Gardner, Penn; second, Pa-
rus, Ohio; third, Krueger, Penn.

The meet was scheduled at La
Javette, Buffalo, with Punfts was turned

into an exhibition because of a difference
of opinion concerning the method of keep-
ing scores.

The schedule for this year embraces a
meet with Meld University at Montreal
on March 20. This will mark the first
in Pennsylvania that a minor sports team
will have competed in an intercolle-
giate contest outside of the United States.
On March 8 the gymnastics will be Han-
over, N. H., to clash with Dartmouth, and
a week later will visit Massachusetts Insti-
tute of Technology away. A dual meet
with Princeton will be staged at Tiger-
down on March 19. The contest which
comes up as the hardest is that with the
University of Chicago on March 24 in
Wrigley Field. Last year the Chicago
rooms vanquished the Red and Blue in a
close meet at the Windy City. The in-
tercollegiate championships will take place
here March 27, following which a trip to
West Point will be made to clash with
the Army on March 31. On March 20 the
annual intercollegiate meet held by the
University will take place.

The freshman material this year is very
promising and good results are expected.
The Tuesday they will commence a strong
one in the person of Northeast High at
Northwest. The other meets are: Feb-
uary 28, Swarthmore Academy; February 27,
Haverford Academy; March 6, Prince-
ton Freedom; March 15, West New York
High School.

REV. FREDERICK NEWTON WILL
CONDUCT LENTEN SERVICES

Continued From Page One

The colleges and universities all over the
country. His chief topic is international
good fellowship and world peace.

In the past students have found trouble
in making their 2 o'clock classes. How-
ever, the services this year are being ar-
anged so that there will be a ten-minute
service and twenty minutes for the ser-
vice. This will ensure that all students can
readily get back to their classes.

52 YEARS ON THE CAMPUS
Start the Second Term Right

To Freshmen . . . Fresh
from Home and its Influences

You will cultivate a moral and spiritual
habit at college. Habits that will
grow on you and become a part of your
life on the campus . . . and off.

You will don the 12-lamed "ballon
trousers", you will cultivate a speaking
acquaintance with the arts, sciences and
letters; you will become a spiritual sport
on college sports, athletic and otherwise,
and you will have a Telephone
darling with Mother and Dad
every week of your College Life.

YALE STUDENT ELECTED FIRST RHODES SCHOLAR

T. C. Hunt, 1925, Phi Beta Kappa Senior, Now Studying at the Barbonne, to Enter Oxford

PREPARING FOR THE MINISTRY

Professor Hume, Yale '25, has been elected Rhodes scholar at large (Trevelyan) to the United States. It was announced recently by President Frank Ayres, of Washington College, American secretary to the board of trustees that makes the awards.

Hume is the son of President Edward H. Hume, '97, of Yale. While in college he was elected to Phi Beta Kappa in his junior year and was awarded the Stone Prize. At present he is spending the year at the Sorbonne on a French government scholarship. He will enter Oxford in October, 1950, and will specialize in philosophy, politics and economics in preparation for his entrance into the ministry.

Scholarships at large are those awarded to fill any vacancies occurring in the list of Rhodes scholars by death, resignation, or refusal of any committee to approve the candidate. Appointments at large are allotted only in the case where the students are recommended by the state committee before which they originally applied.

The committee of selection consists of President F. E. Bantle, of the Cornell University, and four ex-Rhodes scholars from various parts of the country. They are: H. A. Morgan, 1905, Rhodes scholar from California; Brandeis, 1903, Rhodes scholar from Missouri; Henry Allen Mac, 1913, Rhodes scholar at large, and Frank Ayres, 1906, Rhodes scholar from Illinois.

The results of the annual elections of Rhodes scholars were announced December 51. The men receiving the scholarships were chosen from a group of 820 candidates, representing eighty-five colleges and universities, as compared to the 444 candidates in 1925, when the same number elected.

HOPES TO SHORTEN MEDICAL COURSES

Doctors Believe Too Much Time Lost and will lead to that self-sufficiency of labor in medical work.

The concept of keeping the student in touch with the work of the day is a new one, and the movement has been slow.

Theodore Roosevelt, who is studying at the Sorbonne, was announced recently as the first American Rhodes scholar to be elected to the University.

Harold J. Bender, manager, is arranging a spring trip for the team which will include visits to Bates College, Boston University, and some colleges in Canada.
