SCHOOLBOY PASSERS SHOW FORM IN SECOND ROUND

St. Joseph's, Camden Catholic, Waltz and Alberton High Advance

PREP SCHOOLS PLAY TONIGHT

In a game which proved to be the best of the second round contests in the Inter- scholastic Basketball Tournament, held last night in Westminster Hall, St. Joseph's High, defending champions, defeated the quintet from Schuylkill Haven, 61 to 34. This was the fifth straight defeat for the team in the first three periods, St. Joseph's finally winning.

Both teams were built around captains, except on Waltz and Alberton. The former, of St. Joseph's, proved to be the star of the evening, scoring seven field goals and four free throws. Waltz and Alberton, on the other hand, were limited to 11 free throws and four field goals.

White High, School of Toledo, defeated the Beaver passers in the opener, 23 to 20. The White High team had 18 points to 14 in the first half. The battled was played in the gymnasium and the final score was won by the students of St. Joseph's.

The less experienced team of the three led in the second term, but the Fighting Irishers, led by St. Joseph's, proved to be the stars of the evening, scoring seven field goals and five free throws.

Pictorial Board Opens Freshman Competition

M. K. Murphy will Meet All Prospective Competitors This Afternoon

EXPERIENCE NOT NECESSARY

A new opportunity will be offered to all freshman boys this year in their contest to gain the position of the pictorial board of The Pennsylvania State College. The board of the campus opens this week.

M. K. Murphy, '26, pictorial chairman, will name the club members who will attend morning and afternoon services.

Twenty-four talented members of the board of The Pennsylvania State College, who have all been selected for the position of pictorial board of The Pennsylvania State College. The board of the campus opens this week.

M. K. Murphy, '26, pictorial chairman, will name the club members who will attend morning and afternoon services. The board of pictorial board of The Pennsylvania State College.

The members will be judged solely on the basis of their athletic ability, and the club chairman will select four men to represent the club in the competition.

The competition will be held at the polls in Harrisburg, Allentown, and Reading, and the members will be required to attend morning and afternoon services. The board of pictorial board of The Pennsylvania State College.

Much valuable experience will be gained by the members of the faculty, and the club chairman will select four men to represent the club in the competition.

The competition will be held at the polls in Harrisburg, Allentown, and Reading, and the members will be required to attend morning and afternoon services.

Glee Club Chooses Cast for Opera

The Glee Club has chosen the cast for the opera "Glory! What Prices!"

Doctor: "Gleitberg Warns Against Epidemic"

At the request of the Director of Public Health of Philadelphia, Dr. Gabriel S. Kebert, University Health Office has issued the following advice to the students concerning the present epidemic of grippie and influenza:

"There is no occasion for alarm, but each one can do his or her share in preventing disease and an increasing amount of illness by observing the following rules:

1. Consult a physician promptly whenever you feel ill or notice a rise in temperature or other abnormal symptoms.

2. Students' physincians, see you and aid in establishing an early diagnosis of the case. Furthermore, it is important to observe the loss of touch with time and considerable discomfort, if not serious.

3. Do not visit others while you are ill, as you may come into contact with others in your preferred activities, and lose companionship with those who have colds or other contagious diseases.

4. "Cover your mouth and nose whenever you cough or sneeze, and keep these from being passed on to others in the room or in the classroom."

5. Likewise, do not visit the homes of those who are ill, as your illness may spread to others in their vicinity.

6. Whenever you lose touch with a relative who is ill, you should inform the student health officer of the University Health Office.

7. A "Sail and a Soiler" will be the most appropriate dress code for entering upon the campus and officials of the University Health Office. The sail and the soiler will be required by the University Health Office."

"Cover your mouth and nose whenever you cough or sneeze, and keep these from being passed on to others in the room or in the classroom."

COUNCIL ON WELFARE CHANGES AWARD FOR PARTICIPATION IN WOMEN'S SPORTS

Women students of the University who have earned the right to an athletic scholarship at the University have been presented with the award by the Council on Welfare for Participation in Women's Sports.

Previous to this time, women athletes have not been recognized in the award. In order to ensure that they were recognized and that the award was fair to both men and women athletes, the Council on Welfare for Participation in Women's Sports was established by the University in December, 1952. This award is presented annually to the athletes who have made the most outstanding contributions to the University's athletic program. The award is given to the athlete who has shown the greatest improvement in her sport during the year.

A NEW SPORT AWARD FOR WOMEN

By a recent ruling of the Council on Welfare and Student Activities, a new award consisting of a block letter "T" and a lozenge-shaped frame, will be granted to women students of the University who are entitled to athletic awards. The award supplants an award which was approved by the Council in December, 1924, but was never used because of the general dissatisfaction arising from its adoption. Instead, a policy of awarding women athletes standard Varsity "V" was continued.

The action of the Council in designating a new award should be the signal for discontinuing this practice. To be sure, it is not likely that a block "T" will ever be as popular as the lozenge-shaped "V", and there will be no difficulty about securing the necessary funds to purchase the frames, for the Women's Athletic Association is annually able by its membership alone to purchase the frames for the "V"'. But, the absence of the block "T" from the insignia of our women athletes is a pity, for it is a symbol which is as true to the women as the "V" is to the men, and it is unfortunate to be deprived of it.

To the student who dunked Salesmanship says he guesses he will only have to put on some more work to get up to grade. But the student who dunked Athletics says he believes he should not have sold his "penn" that made a profit of fifteen cents and forty-four one-hundredths of a cent.

120. the number of the course in letter writing, has nothing to do with the mark sent home to the family.

We suppose that as long as the courses continue to begin, there will be people who think that Elliott's class can

We speak from last Saturday's issue of this paper that the title of this year's Mask and Wig show is "A Sailor and a Fellow.

In other words, two sailors.

That ought to make it comparatively easy sailing for the next.

We felt no queer of surprise upon learning that the so-called Center of Cultural Life had been admitted to the Fall Pledge. But our conceptions in the matter is that, now that the holy ladies are really among us, the public will lose all interest in who she is or what she does.

The incident is not without precedent. We seem to remember something about somebody who carried off last season and played football for the fall.

Near Mr. Belle:

NOTICES

ATHLETICS

Gree—A Dubow—P. T. test will carry over men from 4th and Woodland
lanes to Tracksters' sheds. Leave at 4, 5 and 6 clock. Take early but if pos-
ible.

Handball—Entry blanks for second as-
ket handball tournament may be had in
application at office. The tournament is
open to all students enrolled in the Uni-
versity.

Water Polo—All water polo teams (inid
report at 5 clock sharp daily.

Swimming—All Freshman and Varsity
swimmers must be sure to report today
for practice at 4 clock.

Gym Team—All men report for practice
every day this week at the W. M. H. A.
Court and Pine Streets.

Squash Tournament—The following
men will be paired off this week: Nestor
with Baer; Miller with Stevens, Perkins
with Reider, Asher with Lieutenant. There
is no definite schedule.

Freshman Lacrosse—First squad report
of Athens at 4:30 P.M. any man miss-
ing will be dropped. Second squad report
at the west end of the South Stand of
Franklin Field at 4:30.

Gym Credit—All students taking Phys-
ical Education are earnestly requested to
acquaint themselves particularly with the
second paragraph under “Making Up Cred-
its,” on page 9 of the book of regula-
tions of the department. This rule will
be rigidly enforced from this date.

Faculty Tea Club—There will be a meet-
ing of the Faculty Tea Club tomorrow
Tuesday, March 9th for Anna M. Dickinson, Librarian of the Uni-
iversity will speak on “Black Tom and Mere.

Student—Have your Glass Record pic-
tures taken at Zanzys this week.

THE PENNSYLVANIAN

TUESDAY, MARCH 4, 1936

Continued from Page One

There was much spirited harling going on during the entire time that the polls were open. The election committee was highly gratified at the number of seniors who turned out to vote.

In former years the harling on the second day has been heavier than that of the first. The committee insists to have the vote as representative as possible and hopes that this year will be no exception.

Faculty and Students Organize Travel Association

Continued from Page One

(called later than April)

The minimum cost for the round trip to Europe will be $75. While abroad, members of the association will go wherever fancy takes them, or they may join one of the many small escorted groups which will visit the main places of interest. Applications should be made to members of the trip committee or directly to the Houston Hall Travel Bureau.

The association will be assisted by an advisory committee which will have general supervision of its activities. This committee is composed of Dr. George W. McCollough, vice-president of the University; Miss Jean Crawford, director of women; Prof. Thomas A. Field, registrar of the Wharton School; Mr. Thomas Hunt, director of Houston Hall; and Robert A. Eichberger, editor-in-chief of The Pennsylvania.

Dr. Egerbert Warns Against Epidemic

Continued from Page One

Actions as pandemic symptoms unless you are aware of a good reason for either of them.

"Notify the student's physicians or the University Health Office of any conditions that you may think imminent to the general health of the student body. Your assistance in making things safe for all will be appreciated."

"Finally, bear in mind that, in all diseases, influenza probably is more effective than any other in lowering the resistance of the body against other infections and in preventing its successful struggle against them. A case diagnosed as grippe may not be one of influenza, but on the other hand, it frequently is so and should be respected accordingly."

In any case, reasonable care and attention on the part of each student may prevent much worry and distress later on. Let us have your help."

Rifle Team Annexes Fourth Straight Match from V. P. I.

In the fourth intercollegiate league rifle match of the season, the University marksmen registered another victory, when they defeated Virginia Polytechnic Institute by the score of 1960 to 1966. This marks the fourth consecutive victory for the Pennsylvania riflemen in as many league matches. The results were received from the National Rifle Association yesterday.

All results are forwarded to this point and the winners are then transferred to all universities concerned in the event.

Although eleven Red and Blue marksmen shot their targets, the score of only the five first were counted. Captain Val-
