There are a few people who are not talking about the
Massachusetts case. We never before realized what a really
fierce battle we have had.

All Fire to One For Dry Law Change

Look as though the opinion of the majority is that this
establishment bill is at all a foregone

One of the summer tour hodsters says he should judg
then the properties he has seen of the buildings in our metropolis.

The Freshman knows the Hall says he'll breath
off his engagement with the new librarian as he has come
to the conclusion that librarians must do an awful lot of
looking after being where they can do nothing but

The Federal Board member who was cited for
burning a school fire during the war says he'll be hanged if he can
continue his track practice on Franklin Field with baseball fly
anything in all directions.

One of the blonde waitresses has lost one of the
pretty pins which she has keeping, but she has another
one just like it and so long as there isn't a run on the
collection, everything will go all right.

Wanted Words

This is to advise the man who stole $30 from the gym

Another problem about this building excess is that pupils
are supposed to turn in thoughts of tender and passionate affec
tion and by so doing must be in a position to know all about
their own interests.

Dry Mapping New Campaign

Worshipped where the tasks are mapping new campaign.

The vital question in regard to the Try Hall is who are
able to pass the tests.

The Helms poet who spoke in Houston Hall urges the
regeneration of the Helms Tongue as a living language which
apparently never was covered by the campus old clothes men.

Our worthy linguistic superintendents have been sending confidential
messages again. The other day the front page of the paper was filled with

Spring evidently is among us:

Some past phenomena.

They change as they please

As the weather may please

That fall from the trees.

To be on the ground.

And never be found.
