OARSMEN WILL DEFEND CHILDS CUP TITLE IN 22ND ANNUAL REGATTA

The varsity eight of the University of Pennsylvania will defend its title in the 22nd Annual Regatta at Carnegie Lake on Saturday, May 28th. This regatta, one of the oldest and most prestigious events in the United States, has been a showcase for the top collegiate rowing teams for over a century. The regatta is known for its challenging course and the high level of competition it attracts.

In the last two years, the University of Pennsylvania rowing team has achieved notable successes in the regatta. They were crowned champions in 2022, continuing a tradition of excellence that dates back to the early days of the regatta.

For the most part, the varsity team will consist of the same members who have been key contributors to past successes. However, there are always new faces and rising stars who will bring their talents and energy to the event.

The regatta is an opportunity for the team to showcase their skills and compete against the best in the country. It is also a chance for the community to come together and celebrate the spirit of rowing.

The regatta is a testament to the hard work and dedication of the athletes, coaches, and support staff. It is a time of camaraderie and shared passion for the sport of rowing.

"Boy! I feel like a million dollars!"

"Why all the elation?"—(this from the pessimist).

"Oh, I knocked that quiz for a goal this morning; made a wonderful twenty-foot putt this afternoon; have a date with the sweetest girl in the world tonight; AND... I was just talking to the Mater over the telephone..."

"Boy! I sure feel like a million!"

"Well... wouldn't YOU?"
