THE PLAY-By-PLAY ANNUALING

With the opening of the 1926 football season a broadcast and a combined music field staff will announce the details of play to the thousands gathered in the stands. Their efforts, in the interests of their class, have been broadcast in radio or films and in the annual number of the class whose activities have been recorded by the class of 1926.

The Combined Musical Clubs

When the formation of the combined Musical Clubs, in 1926, made it possible for the different musical organizations to combine efforts, it became possible for the different clubs to combine their efforts. The combined musical clubs have made many possible plans. Not only have the Band, Orchestra and Glee Club increased, and have grown larger each year, but the activities of the organizations have been expanded materially.
