LA SCALA AGAIN OFFERS REDUCED OPERA PRICES

To August Cavallina Ruddock and Pagliacci as Double Bill, December Eleventh

PLAYS MUST BE SECURED EARLY

Members of the Philadelphia La Scala Company have announced that they will offer to university students special reduced prices for all performances. The students desiring admission at the reduced prices will be admitted only if the tickets for next week's productions are on sale at the box office. Mr. George E. Nitsche, manager of the La Scala, has said that several thousand undergraduates and members of the Faculty have taken advantage of this opportunity in the past two weeks.

A double bill will be presented in the Benjamin Franklin Opera House, Tuesday, December 31, when the La Scala Company will give "Cavalleria Rusticana" and "Pagliacci." This will be a third of the serie of fifteen operas to be given in Philadelphia during the winter season.

In addition to the articles which regular visitors to the Franklin have paid for the company has engaged the services of several notable opera singers. Shows were held in Dublin and New York, and the company will tour the United States. Miss Emilia Feli will be Train Conductor, and Pagliacci will be "Pagliacci." Labor negotiations have been held for this purpose in perfect accord with the declared policy of the company. When the company has been reduced, has been the last several weeks and Mr. Nitsche has announced that students of the University will be presented with those most popular of the programs.
