N. Y. U. PLANS COURSE IN MODERN FASHION

Studies to Be Made With the Aid of Models in Balcony of the Ritz Carlton Hotel
15 LECTURES TO BE GIVEN

It was announced recently that a course in present-day fashions in women's and men's dress would be offered by New York University. According to General Charles H. Sherman, director of the Department of Fine Arts of the university, who made the announcement, lectures will be given in the course at the Ritz-Carlton Hotel, beginning January 6. General Sherman, who outlined the plans of this new departure of the department at the offices of Colonel Michael Friedman, President of the Altman Foundation, at the Altman stores, spoke of the course as a part of the university's program of art education for those already earning their living in the arts and crafts. The course, he said, will consist of fifteen lectures, to be given on Thursday afternoons at 2:30 in the balcony of the Ritz-Carlton, and the fee for the course will be $60. The course of lectures will be given by Conde Nast, publisher of Vogue; Miss Edna Woolman Chase, editor of the publication; Miss Caroline Duer and other members of the staff, assisted by a group of Parisian designers. Among the topics to be discussed, with demonstrations with models, will be the heavy woman's and the elderly woman's problem in dress, good taste in dress, buying and selling fashions, the clothes education of the younger generation, advertising and the illustrations of fashion, dress accessories, selling men's clothes in a department store, the origin of men's fashions and country life as an element in fashion merchandising.

The department, General Sherman said, will have the cooperation of the Advertisers' Club and the Artistic Trade Club in this course. Colonel Friedman is Chairman of the Advisory Committee for the course, which includes the heads of the leading department stores of the metropolitan district.

The patrons for the course include Mrs. Andrew Carnegie, Mrs. August Belmont, Mrs. Edward L. Hughes, Mrs. Wilbur Warren, Mrs. W. Starr Miller, Mrs. Raymond de Koven, Mrs. John S. Rogers, Mrs. Lewis Cassin, Mrs. Mordecai M. Noah, Mrs. Murray Crane and Mrs. Charles H. Sherman.

Glovers Eat Sauerkraut
Grizzlies Eat Sauerkraut

Coach Welch of the Harvard football team during the last season fed his athletes on sauerkraut and sauerkraut lunches in order to keep them fit and in a healthy condition. The mentor ascribes the excellent condition of his team throughout the season to the judicious use of this type of diet.

Hake," is the foundation on which athletics rest at Pennsylvania. Clean sportsmanship has always characterized the adherents. Clean sportsmanship has always characterized the friend or foe, impartially displayed by Pennsylvania in order to lend permanence to Intercollegiate athletic vanities. It is an easily healthy basis for sports at any Institution. The feats of the Red and Blue coaching signal offer alibis for the defense competition, on which any live, to whose schedule will serve as an alibi. These men feel that the severity of the schedule will provide a fertile opportunity for achievement. But regardless of the outcome it goes without saying that the schedule will provide considerable comment on the campus. It is evident that next year's gridiron campaign will prove to be one of the most grueling undertaken by the Red and Blue in recent years.

Several students have been heard to comment that Coach Young and his physical will have an adequate excuse in the event that the University is forced in defense of its schedule. These men feel that the severity of the schedule will serve as an alibi.

Obviously, this is regarding the matter in a pessimistic, unpatriotic light. For each contest on the 1927 schedule is a potential victory for the Red and Blue, and the outcome of any contest is not decided until the final whistle has blown. Absolutely the schedule will provide a series of difficult obstacles in the path of the University success, but the games have been arranged, not with the view of establishing an alibi, but of furnishing severe competition, on which any living organization thrives. And such victory will add to the glory and prestige of Pennsylvania.

Assuming another angle of the question, suppose the University gridiron warriors have not one, but several of the obstacles in the path of their success. Admittedly the schedule will provide a fertile opportunity for achievement. It is not necessary to point out the Red and Blue coaching staff to offer alibi for the desire of the team.

Competitive spirit, the love of "fight for the fight's sake," is the foundation on which athletes meet at Pennsylvania. It is the only healthy basis for sport at any Institution, in order to lend permanence to Intercollegiate athletic competition.

With such a spirit dominating University athletics, victory is desirable, but not essential. Appreciation of the spirit of athletes disposing their powers on Franklin Field, be they warriors on the gridiron or the floor, is displayed by Pennsylvania alumni. Clean sportsmanship has always characterized the University receiving section. It is with a similar sportsmanlike spirit, that the 1927 schedule should be regarded. It can be seen a great and fertile opportunity for achievement. But regardless of the outcome it goes without saying that the schedule will provide considerable comment on the campus. It is evident that next year's gridiron campaign will prove to be one of the most grueling undertaken by the Red and Blue in recent years.

Since leaving vaudeville she has been featured in the screen production of "The Colonel and the Kelly," and "Penrod and Sam Monthy," two film features which promise to be as successful for Miss Gordon as her famous "Bloomer Boy," pictures. She has only recently returned to the stage-day and is presenting a new comedy playlet entitled "Her Triumph," written expressly for her by Edgar Allan Poe, and giving ample scope for this brilliant actress to display her talent as a comedienne and a serious role. Miss Gordon is supported by a usually capable cast of players and the presentation is the most important that she has ever made in vaudeville.

AT THE STANLEY

Thomas Meighan, "the good luck star" who needs no introduction, will be seen at the Stanley Theatre the week of November 29th. A new musical comedy entitled "Her Triumph," which will give him the role he has long looked for. It is an intensely dramatic story, with singing, dancing, tempestuous romance, with comical laughs and wondrous comedy.

TOMMY MELGHAN, the genial Irishman with his happy smile, is known to one end of the world to the other. Those who liked him in the past will come and flocking to "The Canadian" and—those who haven’t—he will convert! "Moo and Female," "Tin’ee Man," "Back Home and Rende", "The Magic Man," "Tin’ee King," "Tin’ee God"—and a score of equally successful films, will all be repressed by Meighan’s latest, greatest and best, "The Canadian." The surrounding program will be one that will appeal to everyone. It includes a special feature the first appearance here of Art Landly and his Tuneful Melodies. Art Landly is well known as one of the most expert of exponents of symphonies, and he has surrounded himself with musicians of merit into whom he has imbued his enthusiasm with the result that the program presented by this band is one of the most delightful entertainments. The vocal feature will be the first appearance here of Colin O’Dell, concert tenor, who will be heard in new and refreshing ballads. The Stanley Symphony Orchestra under the direction of James Harris, will be heard in the overtures. The orchestra, playing the picture and added attractions, making the musical portion of the week’s program one of delight.

B. F. KEITH’S

Vera Gordon, one of the most celebrated stars of the screen and an emotional hit of distinctive merit, will headline an extraordinary bill of exclusive vaudeville at B. F. Keith’s Theatre during the week of November 29th. This will be Miss Gordon’s first appearance here in three years. Since leaving vaudeville she has been featured in the screen production of "The Colonel and the Kelly," and "Penrod and Sam Monthy," two film features which promise to be as successful as Miss Gordon’s in her famous "Bloomer Boy" pictures. She has only recently returned to the stage and is presenting a new comedy playlet entitled "Her Triumph," written expressly for her by Edgar Allan Poe. The presentation is the most important that she has ever made in vaudeville.

The presentation of this new London review has enabled the management to secure a special added feature the wonderful Lockfords, brother and sister in the two-day, most spectacular dance feature in the two-day.
