PUNCH BOWL TO APPEAR THURSDAY

Despite the rain, the annual PUNCH BOWL dance was held yesterday afternoon in Houston.

The main attraction was a bowling alley built in the center of the dance floor. The bowling alley was complete with bowling balls, pins, and a scorekeeper. The dancers could bowl for fun or compete against each other in a friendly game.

This year's PUNCH BOWL was a huge success, with many attendees participating in the bowling activities. The dance ended with a candlelight ceremony, where the winners of various events were announced.

The dance organizers are already planning for next year's event, looking forward to more fun and excitement. They hope to attract even more participants and guests to make the PUNCH BOWL an even bigger success.

The next PUNCH BOWL dance is scheduled for the first weekend of November, and tickets are now on sale. Don't miss out on the fun and excitement of bowling and dancing with friends and family at the PUNCH BOWL.

COURT COMMENT

Well, the basketball season is half over, and the young man must be thinking now of the season in which he will play. In spite of this, however the junior basketball and Frosh basketball are still playing thrice of itsogue contests.

The major portion of the game for the Easton Intercollegiate Champions are yet to come.

Wednesday's game was pretty much of the rough and tumble variety. As usual in basketball, the Big and Black took a rather easy victory the first period of the game. Although the control was taken and maintained in the second it came faster and riper in the closing minutes.

At least the team wasn't playing against a bunch of post-season dummies. Normal games and learned from that.
