LOCUS 3200
AND THEY LIVED HAPPIER EVER AFTERWARDS!

ONCE UPON A TIME there was a man whose life's ambition was to take unto himself a pipe. Time and again his heart was set on some particular pipe—but poor fellow, his dreams never came true.

Until one day a friend, experienced in such affairs, gave him a few pointers. He took his friend's advice; he got some Granger Rough Cut. It worked! In a few weeks' time he was solemnly widowed by a wonderful pipe...sting pretty, fast for life. Indeed, but for Granger many a man would never know the joy and comfort of a pipe! Granger is so mild, so mellow, so cool! Ripe old Burley tobacco, mellowness, Wellman's way. And cut in rough flakes that burn slow and smoke cool...

Granger's mission in life is to see that no man ever experiences a pipe disappointment. Just stick to Granger and your old pipe will be a perfect pal—right through the years. Forever!
