We thought there was some connection between the first week of spring as evidenced by his appearance in knickers a couple days ago, and the place to watch a young person many times in this time of the year—so, I hope to locate one.

That reminds me that the good and subject of our discussion had his trousers splashed with mud and fire by the tracks of Captains Rush and the 3rd Street center the other day.

And the apostle of the whole affair was that he took them to Embree and saw in his business—no such. Maybe it isn't going out for hearty

Continuing as we are to writing this column, it gives us great pleasure to announce our temporary removal from the presses of The Daily to the more hopeful region under the "Pennsylvania and Writing Field" out.

You see, it's this way. The restored Mac has taken a great "point this afternoon, with his tough-looking your left hand on the handle of the horrible ladder under the "Pennsylvania and Writing Field" out.

All Admire His Expressive Voice
How William Hodge wins his audience — how he protects his throat

A favorite actor throughout the nation, William Hodge's voice has added greatly to his skill on the stage. He has admirers everywhere.

In smoking, he prefers Lucky Strikes because they give the greatest enjoyment and throat protection.

Lucky Strikes are smooth and mellow — the finest cigarettes you ever smoked. They are made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process in treating the tobacco.

Smoke Lucky Strikes — you'll like them.

Your Throat Protection

When in New York, you can actually visit the headquarters and see how Lucky Strike cigarettes are made at your nearby General Foods building on Broadway and 41st Street.
