1897 Football Team Won Fifteen Contests

Red and Blue Huskies Ran up Huge Total of 517 Pulp. Against Strong Western Teams

Conquered Harvard, 15 to 0

There is no record in the history of the Red and Blue football team in which Pennsylvania won point with so much pride as that of 1897. Playing an extreme game of tactics, without sacrificing offensive power, the men emerged victorious from all, although three teams—Washington and Jefferson, the Indians, and Harvard—succeeded in scoring. What especially distinguished the play of this team was the enmity it received. Five hundred and seventeen points represents the grand total. The season score of the season was made against Dartmouth, which was smothered by the scorers, Hudson led in scoring. Points were made against Washington, 27 points, against the Indians, 37 points, and against Harvard, 25 points.

CRAWFORD HIGH SCHOOL WINS PHILADELPHIAN SOCIETY CUP

With a total score of 15 points, the Crawford High School defeated teams that emerged victorious from the Intercollegiate League this year and was awarded River Cup by the Philadephian Society of the University on Thursday night. Crawford High followed in second place, Central High, Overbrook High and South. This then came in the order named. The question raised for debate was: 'To persuade the United States should attempt to foster a Pan-American League.'

Decisions on each debate were awarded on a basis of nine points, each judge having three points to dispose of according to the following rules: (1) One point shall be awarded to the team which has the best speech, (2) one point shall be awarded to the team which has the best arguments, and (3) one point shall be awarded to the team which presents the best refutation.

LEGISLATURE CONSIDERS UNIVERSITY APPROPRIATION

If an appropriation which passed the State Senate at Harrisburg last week becomes the unsigned approval of the House and obtains Governor Fisher's signature, the University and the Philadelphia Institute will receive $2,942,790 from the State. The money is to be used according to tentative proposals made by the University. These proposals have not yet been publicized.

AN INVITATION

Many of you, Peninsylvanians, in the years to come, will be engaged in manufacturing or in selling manufacturers' products. The more you know about manufacturing processes, the easier your particular problems will become.

All of you in the not distant future will have homes of your own. How will they be furnished? We may be able to help you both in your future work and home.

AN INVITATION

It is intended for all of you to visit our mill and see how Claridge Wide Seamless Carpets are made. You will have an interesting day and we will have the pleasure of knowing that you will also know as before.

UNIVERSITY MEN'S DEPARTMENT

THE PENNSYLVANIAN

EVIDENCE OF THE CHANGING OCEAN CURRENTS YIELDS GLOOMY OUTLOOK

PAGE FOUR

When the winter threatens, some men may be tempted to huddle up and become gloomy, but not the students at the University. The spring fever has struck and the campus is alive with activity. The students are preparing for the upcoming season, and the warm weather has brought a sense of renewal and excitement. The campus is bursting with energy as the students look forward to the new term and the adventures that lie ahead.
When you compare a cheap, so-called "la"nat and a real hand-tailored suit, the difference is noted at the one after a few months' wear while the other is good for a year. It will hold its shape: will press and clean well, and at all times you know you are well-dressed. Both are the article we make and many Penn men know this. Why not you? Our prices are $10 to $30.

WHAT DO YOU KNOW ABOUT YOUR UNIVERSITY:
Series No. 2

1. What Pennsylvania graduate was made Commandant of the American Army by George Washington?
2. In what year did the University move to its present site in West Philadelphia?
3. In what year was the first Athletic Association of the University organized?
4. What was the nature of the first intercollegiate game in any branch of sport in which Pennsylvania took part?
5. By what Pennsylvania graduate was the value of mathematics first as source of least first demonstrated?
6. How many acres of ground are owned by the University?
7. What was the location of the first University athletic field where intercollegiate contests took place?
8. What was the date of the first Commerce examination?
9. In what four consecutive years did the track team win the intercollegiate championships?
10. What Pennsylvania professor wrote the first American textbook on biology?

The Answers to These Questions Will be Found on Page 5.
